News from the Principal

Dear Parents,

March is my favorite month since it ends winter and spring begins. Also, I'm almost full blooded Irish so St. Patrick's Day is always celebrated along with my birthday. Then of course, we have spring break—how much more to look forward to in March!!

Enclosed is the March calendar or you can view our web site online www.regiscatholicschools.com and click Immaculate Conception School, then click on calendar.

During Lent, we are concentrating on **praying** more, doing **sacrifices**, and completing **almsgiving**. Our *Jeans for Jesus* collections have been chosen and are listed on the March calendar. Next week, the Jeans for Jesus is not collecting money but will collect toiletries for Sojourner House. Josie Seelen, a Regis student, is taking on this project for her National Honor Society community service project. We appreciate her efforts to include us. A flyer is in the Friday folders.

We celebrate **Dr. Seuss Day on March 2nd** with "flip reading" which means all the grades will be read a Dr. Seuss book by a different classroom teacher. We also celebrate "Read Across America" that day and Darren Meier, WEAU meteorologist, will come in and read to our primary students.

The **Scholastic Book Fair** was a success and bought in over \$5,300 and 55% goes towards purchasing IC library books. We thank all the volunteers especially Mrs. Katie Auth for organizing the event. A flyer is enclosed about the sale.

We are now less than a month away from our **early enrollment deadline of March 9**. If you plan to enroll your child for the 2018/19 school year, please do so as soon as possible. Enrolling early assists RCS plan for the following year. Our current families received an email containing their family ID and code to access their online enrollment. Go to www.regiscatholicschools.com/admissions.online-enrollment. If you have any questions, contact Rachel Brogelman at 715-830-2273, ext. 1400

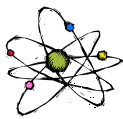

Walk for Virtues is scheduled for Friday, May 11th and will be at a different venue this year.

We decided to go to Micon movies in the morning, walk the Regis track, and eat lunch on the Regis lawn. We thought it was time to change things around. Pledge envelopes will be distributed the week after Spring Break.

Be joyful in hope, patient in affliction, faithful in prayer. *Romans 12: 12*

Blessings to all,
Renée Cassidy

St. Patrick!

Patrick was born in Scotland and his father was a Roman Military Officer which Patrick plan to become, however, at the age of 16 he was kidnapped by Irish pirates and taken to Ireland. For the next six years he worked as a shepherd suffering from the cold and starvation. He escaped aboard a German vessel paying his way back to Scotland by taking care of a pack of stolen dogs the crew planned to sell. Patrick was a changed man and had a vision to serve the people of Ireland by becoming a priest. He returned to Ireland and evangelized most of the Irish people by building Churches and helping the poor tribal people. Since Patrick knew the Gaelic language and had been a slave the Irish accepted his message. Patrick died in Ireland on March 17, 460.
