Before/After School Care

As a convenience for our Regis Catholic Schools elementary school families who need care outside of the regular school day, Before/After School Care is available.

Where is Before/After School Care offered?

This program is available at the Regis Child Development Center, in addition to our on-site programs at Immaculate Conception Elementary School, St. James Elementary School, and St. Mary's Elementary School. The program is available for students in grades K-5, along with our full-day 4K students at St. James Elementary School. (Care is not guaranteed and spots are filled on a first come, first serve basis once enrollment is open.)

What does the program include?

Before/After School Care offers a comfortable, relaxed, and creative environment for children who need care before school, after school, or both. The program provides individual attention, security, consistency, and a nurturing environment.

Care is available on school days from 6:30 a.m. until the start of the school day and after school until 6 p.m. Children are offered a light morning and afternoon snack.

How much does it cost?

Days Per Week	Before School	After School	Both Before & After School
5 Days	$57	$67	$124
4 Days	$46	$54	$100
3 Days	$35	$41	$76
2 Days	$24	$28	$52
1 Day	$13	$16	$29

A registration fee of $30 per child or $50 per family will be charged in August on the first tuition statement.

When do I enroll?

The enrollment period for our Before/After School Care program opens in April via an online enrollment form. Enrollment is first opened to families who currently use the program and is then later opened to new families.

All families who are enrolled at one of our elementary schools for the coming school year will receive an email with enrollment information and instructions ahead of enrollment opening in April. An enrollment link is also posted on each elementary school's webpage at **RegisCatholicSchools.com**. Enrollment is limited and will be on a first come, first serve basis once enrollment is open.
