Student + Parent Handbook Acknowledgement

Our 2021-22 Student + Parent Handbook has been shared with you along with this form and is available year-round on the Regis Catholic Schools web site, under each school's individual web page. (www.RegisCatholicSchools.com) Because it is of the utmost importance that each student fully understand all of the guidelines and policies described in this handbook, and that all parents/guardians are likewise aware, Regis Catholic Schools and the Diocese of La Crosse REQUIRES ALL PARENTS/GUARDIANS TO SIGN THE FOLLOWING AGREEMENT AND RETURN IT TO THE SCHOOL OFFICE.

As a parent/guardian choosing to enroll my child(ren) at Regis Catholic Schools, I have read the Student + Parent Handbook. I understand that if my child's actions or behavior are in violation of any of these policies, he/she will face any and all disciplinary action described. I also understand that this handbook is a guideline and it should not be construed as a contract between Regis Catholic Schools, parents/guardians, or any other person. Regis Catholic Schools is committed to reviewing its policies continually and reserves the right to review and change its policies at any time. Regis Catholic Schools also reserves the right to make the final interpretation of all current or future policies, and to make the determination, entirely within its discretion, as to whether the facts of a specific situation warrant action on its part.

We/I have read and understood the Regis Catholic Schools Student + Parent Handbook and agree to abide by its policies and information within. Please check if in agreement and continue to next section.

Consent for Media Contact and Photo Release

Regis Catholic Schools and the Diocese of La Crosse require that parents sign to agree or not agree to have their child be part of a story produced by local media organizations. This can include an on-camera interview, newspaper interview, video footage, and/or still photos taken while the child is at school or while involved in a school-related activity. It is standard practice for the media to contact the Regis Catholic Schools Communications Director and/or the school to first ask if a reporter and/or photographer can come to gather information for an article or take a photo. It is important for Regis Catholic Schools to know ahead of time which students are not approved for media release so we can accommodate your wishes. (Please note, this does not include athletic or other live-streamed events. We cannot control which student-athletes are included in game highlights shown on area news stations or photographs published in the newspaper. Nor can we eliminate one student from a group when live streaming an event, such as a concert or award ceremony.)

In addition, Regis Catholic Schools and the Diocese of La Crosse regularly use photos, video, and/or audio taken at school and at school-related events for marketing materials, online, and on social media sites (i.e. Facebook, Twitter, Instagram). We ask you to agree or not agree to give your permission for your child's photo, likeness and/or audio to be used publicly in print publications, online publications, videos, presentations, websites, and/or social media. No royalty fee or other compensation shall become payable to you by reason of such use. Regis Catholic Schools and the Diocese of La Crosse reserve the right to determine which photos are used and how long they remain in use.

Please check one and continue to next section.

**** CONTINUED ON OTHER SIDE -- PLEASE COMPLETE ALL SECTIONS AND SIGN THE BACK OF THIS FORM. ****

Release or Non-Release of Directory Information

Each year, Regis Catholic Schools and the Diocese of La Crosse require that parents or guardians specifically consent or not consent to the release of directory information on their child. This is a legal issue. Directory information may include the student name, student address, telephone number, date and place of birth, participation in officially recognized sports and activities, weight and height of members of athletic teams, dates of attendance, degrees and/or awards received, and the name of the school most recently attended. Directory information is most often used for athletic purposes as well as the school releasing a student directory to students or parents for various activities or for information given for press releases or newspaper articles.
