OVERVIEW

School Details

Grades: K4-5

Enrollment (Choice): 23 Percent Choice: 22.5% Please note that because we do not receive an all-school report card, only students who attend Regis Catholic Schools under the Wisconsin Parental Choice Program will have data on the report card. Some schools, because of size or grade range, do not have enough data to receive a score. Private schools with insufficient data are not rated.

The statement above is provided by the school. It is not an evaluation by the Wisconsin DPI.

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

NO DATA TO DISPLAY

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the target group. This measure was designed to inform improvement efforts that result in positive change for learners who most need it while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.
