3. Your school-issued Chromebook with earbuds or headphones

If you forget any of these items, you will lose points from your weekly participation grade. **If you lose any of the school music you are given, you will be responsible for the cost of replacing it—usually \$2-3 per song. Please take care of your materials!**

5. Hands off the piano and other equipment!

**Cell phone policy:** As is the policy at Regis Middle School, students may NOT have their cell phone with them in choir... cell phones must remain in your homeroom during the school day. The instructor reserves the right to confiscate the device if this policy is abused.

### **Evaluation**

Grades for the course are determined by class participation and behavior, daily assignment grades, quizzes and tests based on daily assignments, and concert participation (as a performer and as an audience member).

### **Grading System**

1. 50% of each quarter grade is determined by the total weekly participation grades\*. **This includes participation by presence, by positive attitude and by exemplary behavior.**
2. 20% of each quarter grade is determined by the total daily assignment/homework grades.
3. 30% of each quarter grade is determined by **concert participation grades**, quizzes, and test grades. *Concert participation grades include arriving on time for warm-ups, wearing the correct concert apparel, remembering your choir music for the concert if memorization is not required, and participating well as an audience member and performer.*

The following numerical equivalents are assigned to letter grades:

A= 93-100	B-= 80-82	D+= 67-69

**All 6th Grade Choir students will be assigned to a Google Classroom. Some assignments will be assigned and turned in through their Classroom; others will be turned in during class time.**

\*This year, you will be receiving a **weekly participation grade**. Each student starts out with fifteen points per week (five points per class day).
