MESSAGE FROM THE DEAN

Introite Regis Domum. These three Latin words frame the crucifix in the Bishop Paul Chapel at Regis Middle and High School. Translated, they proclaim, "Enter the home of the King." Jesus Christ is the reason our school exists and is at the center of Regis' mission to educate, form, inspire, and equip the young people who walk our halls at all grade levels. This process of education and formation is a sacred partnership between God, our school staff, and the families of Regis Catholic Schools, who entrust their most precious gift to our care - their children.

Contained in this handbook is the framework that governs our school day and activities to help further the mission of our school system. Please take time to review these items and ask questions if there is something that is unclear.

Thank you for being a part of the Regis Catholic Schools family.

Fr. James Kurzynski Dean, Eau Claire Deanery

PREFACE

Stimulated by the spirit of Christ and the awareness of the dignity of all, let us dedicate our every effort to the cause of Christ. May every moment be a moment of love, an untiring effort to the cause of education. May we be true to our calling and to the cause of the Christian education of our youth. May every child grow in wisdom and age, and may our dedicated efforts be rewarded one day with the knowledge that every child grew in wisdom, in the spirit of Christ, and developed to be an intellectual, moral, and social being, living here as a true person and hereafter attaining the eternal glory. Let our every action be guided by our Christian philosophy and our education be directed by the objective set up for us and for the good of every individual.

The teacher is the soul of the school. "Perfect schools are the result not so much of good methods as of good teachers; teachers who are thoroughly prepared and have mastered the matter they have to teach; who possess the intellectual and moral qualities required by their important office; who cherish a pure and holy love for the youth confided to them, because they love Christ and His Church and who have therefore sincerely at heart the true good of family and country."

-Pope Pius XI - Christian Education of Youth

"There is no painter; there is no sculptor nor artist that can be compared to the one who knows how to form the minds and hearts of the young. To reproduce in souls, the living image of Christ is a work far surpassing the finest creations of human art."

-St. John Chrysostom

STAFF RESPONSIBILITY

The following are policies that pertain to all Regis Catholic Schools faculty and staff. All employees of RCS should familiarize themselves with the policies of RCS and those set down by the Diocese of La Crosse for all schools in the Diocese. Any additional information dealing with our schools, parents, and students may be found in the 2025-26 Student + Parent Handbook.

The functioning of a school is only as efficient as the commitment of the staff. The total staff is responsible for carrying out the philosophy and regulations of our Catholic schools. This means that all staff members are to be familiar with and enforce the policies of the Diocese of La Crosse, RCS, and our individual Catholic schools as to all aspects of the school. This includes, but is not limited to, such things as grading, dress code for staff and students, filing of reports, communicating with parents, attending required meetings, and all other functions which will lead to an efficient school setting. Failure to do so reflects badly on those who attempt to fulfill their responsibilities as members of the school.

Coming to work with a positive attitude and displaying a positive image of Regis Catholic Schools is crucial. Faculty and staff are expected to be cheerful, friendly, and respectful of others. We build our reputation by providing a professional atmosphere in conversations with students, parents, and other employees. Employees are expected to speak supportively and professionally about the Regis Catholic Schools system and its employees. Additionally, all employees are to support and exemplify in conduct both Catholic doctrine and morality.

The policies, procedures, and standard practices described in this manual are not conditions of employment. This manual does not create an express or implied contract between RCS and any of its employees.

Regis Catholic Schools is a Catholic School in the Diocese of La Crosse. As a Catholic School we will teach and advocate our Catholic Faith. All students are welcome in our school, and all faculty and staff must understand that Catholic Doctrine will be taught. The passing on of our Catholic Faith is our number one priority.

- Job loss or reduced hours for spouses

BENEFITS

Basic Life Insurance

The following employees are eligible to participate in the Basic Life Insurance program:

- A Full-Time teacher or other teacher working at least 30 hours per week during the school year (1,140 annual hours).
- A non-teacher, school-year employee working at least 30 hours per week during the school year (1,140 annual hours).
- All other employees working at least 30 hours per week for 50 weeks per year (1,500 annual hours).

Eligible employees may sign up for Basic Life Insurance within 31 days of their first day of employment. Coverage will begin the first of the month following the day you begin work. Eligible employees who choose to participate receive \$30,000 of term Life Insurance with a \$30,000 Accidental Death and Dismemberment benefit. RCS pays the full premium for eligible employees.

If an employee has not enrolled in Basic Life Insurance during their initial eligibility period, they may apply as a Late Enrollee during Open Enrollment. Late Enrollees will be subject to medical review and subsequent acceptance by the insurance company.

Further information can be found at www.stambrosefinancial.com.

COBRA

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Diocese of La Crosse health plan when a “qualifying event” would normally result in the loss of eligibility.

Under COBRA, the employee or beneficiary pays the full premium.

Continuing Education Programs (External)

To support the professional development of its employees, Regis Catholic School maintains three different programs through which employees may receive reimbursement of educational expenses related to approved courses of study.

Credit Reimbursement

Employees must be employed under a Diocesan contract to be eligible for Credit Reimbursement. Employees will be reimbursed up to \$500 (or amount reflected on contract) per fiscal year for the actual costs of tuition, fees, and books/materials for teachers enrolled in a class at an accredited institution. Credits earned from accredited schools, or an equivalent agency will be eligible for reimbursement.

Employees will be required to obtain prior written approval for Credit Reimbursement (via the [Request for Credit Reimbursement Form](#)). Reimbursement will be paid upon successful completion of course, submission of proof of tuition/fee payment and grade report or transcript.

Employees will be reimbursed for credits earned during the second semester or summer only if they are employed by RCS for the following school year.

Educational Assistant Program (Section 127 Program)

Employees must be employed with Regis Catholic Schools for a minimum of two years, be employed Full-Time and be working towards a degree/certification directly related to their position (desired position) to be eligible for this program.

Interested employees must complete a [Continuing Educational Programs Application](#) and subsequently be approved by the Educational Assistance Review Committee. **Once application has been approved, employee must sign a [Professional Development Program – Program & Retention Agreement](#).**

Reimbursable educational expenses of up to 100% of tuition and program fees only may be reimbursed, but in no case shall the aggregate amount per employee exceed \$5,250 per calendar year. (In accordance with provisions of IRS Code, Section 127, educational assistance of no more than \$5,250 per calendar year may be provided to the eligible employee as a non-taxable benefit.)

Reimbursement will be paid upon successful completion of course, submission of proof of tuition/fee payment and grade report or transcript.

Employees must be continuously enrolled in a program of study and courses must be successfully completed to be eligible for reimbursement. Successful completion is defined as achieving a passing grade for the course of study (C or higher). Withdrawal from a course, regardless of the circumstances, invalidates all requests for reimbursement of fees related to the incomplete course.

Master's Programs (Leadership or Administration Program)

Employees must be employed under a Diocesan contract, with Regis Catholic Schools for a minimum of four years (unless approved by Educational Assistant Review Committee), be employed Full-Time (unless approved by Educational Assistant Review Committee) and be enrolled in an eligible master's program that is mutually beneficial to employee and Regis Catholic Schools.

Interested employees must complete a [Continuing Educational Programs Application](#) and subsequently be approved by the Educational Assistance Review Committee. **Once application has been approved, employee must sign a [Professional Development Program - Program & Retention Agreement](#).**

Employees must be continuously enrolled in a program of study and courses must be successfully completed. Successful completion is defined as achieving a passing grade for the course of study (C or higher). All fees for withdrawal from a course, regardless of the circumstances, will be the responsibility of the employee. If approved, payment for eligible expenses for the program will be paid directly to the accredited University.

Church Unemployment Pay Program (CUPP)

Regis Catholic Schools does not participate in Wisconsin Unemployment Insurance. Instead, eligible employees are covered by the Church Unemployment Pay Program if they have a qualifying change in employment status.

Covered Employees

Employees of Regis Catholic Schools that have had at least 20 weeks of work during the prior 52 weeks, averaging at least 20 hours of work per week.

Benefit Amount

Weekly benefit rate: 50% of the employee's average weekly gross wages from the employer during the 52 weeks prior to filing claim.

- Maximum benefit is the same as the Wisconsin Unemployment Insurance maximum weekly amount.

Benefit Duration

80% of the weeks worked for the employer during the 52 weeks prior to filing claim.

- Maximum number of weeks: 26 weeks

For additional information refer to CUPP brochure [here](#).

Employee Assistance Program (EAP)

To support the wellbeing of our employees, all employees of Regis Catholic Schools, including spouses and dependent children, are eligible to have access to the Employee Assistance Program (EAP) provided through Ascension Health Care. The EAP is free to use.

The EAP offers an array of support and mental health wellness options.

A few of the services offered are:

- Confidential, short-term, counselling (up to 8 sessions)
- Referral services
- Monthly newsletter, free lunch and learns
- 24/7 support by professionals

Employees or their immediate family members can access the EAP by calling 1-800-540-3758, emailing eap@ascension.org or by going to their website www.ascensionwieap.org.

Employee Referral Bonus Program

Regis Catholic Schools is always looking for good people, and you can help. Research has shown, and our own experience supports, that new hires who come into a school through employee referrals are excellent contributors, stay with the school longer and are more cost-effective recruits.

If you know someone who would be a good addition to Regis Catholic Schools, you may be awarded a referral bonus of \$1,000 (DPI Licensed/Salaried)/\$500 (Hourly)*!

Employees can refer candidates to Human Resources/Building Administrators by using the [Candidate Referral Form](#).

Program Rules:

- All Regis Catholic School employees, except those with hiring authority over the referred candidates, are eligible for the referral bonus.
- The hiring of a referred employee must occur within 180 days (six months) of the initial referral date.
- The referral must represent the candidate's first contact with Regis Catholic Schools. Temporary, summer help and former employees are not eligible candidates for referral awards.
- To be eligible for an award, an employee must submit a referral to Human Resources/Building Administrator via the Candidate Referral Form.
- The first employee to refer a candidate will be the only referring employee eligible for the referral bonus.

- All candidates will be evaluated for employment consistent with company policies and procedures.
- All information regarding the hiring decision will remain strictly confidential.
- Any disputes or interpretations of this employee referral program will be handled through Regis Catholic Schools President and Human Resources.
- An employee referral is not an offer of employment nor is it an indication of employment.
- All referral bonus payments will be paid in 2 installments. The referring employee and the referred employee must be employed by Regis Catholic Schools on installment payment date to receive bonus.
- After the new employee is employed for 30 days, \$250/\$125.
- After the new employee is employed for 6 months, \$750/\$375.

*New employee must be employed in a part-time or full-time position (\geq FTE 0.5) to receive full bonus. Bonus for employees working less than part-time ($<$ FTE 0.5) will receive a referral bonus of \$500/\$250.

Flexible Benefit Plan (Section 125 – IRS Code)

Eligible employees may set aside pre-tax dollars to pay for uninsured medical, dental, vision, and dependent care expenses, as well as group health and dental premiums. As employees incur eligible expenses, they simply submit a claim with the necessary documentation to the plan administrator, Employee Benefits Corporation, and will be reimbursed from their account on a tax-free basis. There are multiple means by which an employee can submit a claim. Refer to the BESTFlex Plan Summary Plan Description or www.ebcflex.com for further details.

The RCS plan year begins January 1 and ends December 31. New employees are eligible to participate in the Flexible Benefit Plan on the first of the month following their date of hire. All employees will receive re-enrollment forms during Open Enrollment for the upcoming plan year. Once the employee determines their plan year pledge, this amount cannot be altered during the plan year; therefore, some discretion must be used in determining the plan year pledge as it is a “use it or lose it” plan. Employees will have up to sixty days after the end of the plan year to request reimbursement with the appropriate documentation.

Health Insurance

The following employees are eligible to participate in the Health Insurance program:

- A teacher working at least 30 hours per week during the school year (FTE \geq 0.75/1,140 annual hours).
- A non-teacher, school-year employee working at least 30 hours per week during the school year (FTE \geq 0.75/1,140 annual hours).

- All other employees working at least 30 hours per week for 50 weeks per year (FTE \geq 0.758/1,500 annual hours).

Eligible employees may sign up for Health Insurance within 31 days of their first day of employment, or within 30 days of a Qualifying Event.

Coverage will begin on the first of the month following the day you become eligible. Eligible employees who do not elect to take Health Insurance when they begin employment and have no Qualifying Event must wait for the next Open Enrollment period to sign up for coverage.

Regis Catholic Schools will contribute towards the cost of each employee's Health Insurance premiums. The amount contributed is evaluated on an annual basis. Refer to the Plan Rates document for the current year contribution amount.

Terminated employees may continue coverage of Health Insurance on a self-pay basis within the COBRA guidelines.

Further information can be found at www.stambrosefinancial.com.

Life Insurance (Optional)

Employees who work at least 1,000 hours or more annually may be eligible to participate in the optional Life Insurance program. Eligible employees may sign up for optional Life Insurance within 31 days of their first day of employment, or within 30 days of a Qualifying Event.

An eligible employee can elect Life Insurance amounts in \$10,000 increments up to \$500,000 (not to exceed 5 times his/her annual income), with a non-medical maximum of \$150,000.

If you elect coverage for yourself, you can also elect coverage for your spouse and/or dependent child(ren) up to age 18 (23 if a full-time student).

Coverage for spouses is offered in \$5,000 increments up to \$100,000 (not to exceed 50% of the employee election), with a non-medical maximum of \$25,000. Dependent child(ren) can be covered for \$1,000; \$2,000; \$4,000; \$5,000; or \$10,000, with all amounts available without medical underwriting.

Monthly premium charges vary depending on your age and income. The employee pays the full cost of the optional Life Insurance premium.

If an employee has not enrolled in optional Life Insurance during their initial eligibility period, they may apply as a Late Enrollee during Open Enrollment. Amounts more than \$20,000 for employees or \$10,000 for spouses would be subject to medical review and subsequent acceptance by the insurance company.

Workers Compensation

Employees are protected under the Wisconsin State Workers Compensation Law against loss of income due to injury or death that occurs during work activities. RCS pays the entire cost of the Workers Compensation insurance premium.

Employees must immediately report all job-related accidents, injuries, or illnesses, no matter how minor.

Reporting – Any employee injured on the job will report the injury immediately to his/her supervisor, regardless of whether the injury is minor or of no apparent significance then supervisor or employee should call the Church Mutual Nurse Hotline at (844) 322-4662.

[Employers First Report of Injury or Disease](#) – The supervisor will promptly complete the “Employee” section and the “Injury Information” section of the Employers First Report of Injury or Disease Report. This report should be delivered to Human Resources who will finish completing the report and will then file the report with the Workers Compensation insurance carrier.

[Accident Investigation Report](#) – An Accident Investigation Report will be completed promptly by the appropriate person(s) to help prevent similar accidents in the future. Reporting job-related injuries, no matter how minor, protects both the school and the employee.

The Workers Compensation insurance carrier will determine the amount of benefits, if any, the employee is entitled to. Workers Compensation, in general, covers all reasonable and necessary medical expenses and provides benefits for temporary wage loss during the healing period. There is a three-day waiting period for lost wages and these first 3 days of lost time are not compensable.

TIME OFF POLICIES

Absences

Regis understands and recognizes there may be times employees will need to be away from work; therefore, RCS offers a variety of paid and unpaid time-off options. Employees must exhaust paid leave balances prior to requesting/using unpaid leave. Repeat and/or excessive absences may result in disciplinary action up to and including termination.

- Written requests must be given to the building administrator or RCS President at least two days prior to the date requested for non-medical absences (paid or unpaid). This can be waived in case of emergency.
- Employees are HIGHLY discouraged from taking non-medical absences (paid or unpaid), the day before or after a school vacation.
- Teachers are discouraged from taking non-medical absences (paid or unpaid) between May 1 and the end of the school year and will only be approved under unique circumstances.

Bereavement Leave

The following Bereavement Leave may be taken with no loss of salary:

- Death of a spouse or child (5 days)
- Death of a father, mother, brother, or sister (3 days)
- Death of relative or a close friend of the family (1 day)

Employees may request an extension of Bereavement Leave, if necessary, by contacting their building administrator. Leave may be extended with the approval of the building administrator in consultation with the RCS President. Such extensions, when granted, will generally be unpaid days.

Family and Medical Leave

The State of Wisconsin and the U.S. Department of Labor have specific regulations regarding family and medical leave. Every employer of 50 or more people is required to allow eligible employees to take up to 12 weeks of unpaid leave per year for one or more of the following reasons:

- For the birth and care of a newborn child of the employee.
- For the placement with the employee of a son or daughter for adoption or foster care.

- To care for a spouse, son, daughter, or parent with a serious health condition.
- To take medical leave when the employee is unable to work because of a serious health condition.

Employees who wish to take family or medical leave for serious medical conditions may be required to provide certification of those conditions from a health care provider or Christian Science practitioner if the employer requests it, and the employer may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work.

Effective January 2009, the National Defense Authorization Act (NDAA) expanded the FMLA to allow eligible employees to take up to 12 weeks of job-protected leave in the applicable 12-month period for an "qualifying exigency" arising out of the fact that a covered military member is on active duty or has been notified of an impending call or order to active duty, in support of a contingency operation.

The

NDAA also amended the FMLA to allow eligible employees to take up to 26 weeks of job-protected leave in a single 12-month period to care for a covered service member with a serious injury or illness. Qualifying exigencies include:

- Issues arising from a short-notice deployment.
- Military events and related activities arising from the active duty or call to active-duty status.
- Making or updating financial and legal arrangements to address a covered military member's absence.
- Attending counseling provided by someone other than a health care provider for oneself, the covered military member, or the child of the covered military member, the need for which arises from the active duty or call to active-duty status.
- Taking up to five days of leave to spend time with a covered military member who is on short-term temporary, rest and recuperation leave during deployment.
- Attending to certain post-deployment activities during a period of 90 days following the termination of the covered military member's active-duty status and addressing issues arising from the death of a covered military member.
- Any other event that the employee and employer agree is a qualifying exigency.

Employees are not eligible for family or medical leave unless they have worked for the employer for 52 consecutive weeks and have logged at least 1,000 hours during the preceding 52 weeks. FMLA eligibility runs on a fiscal year basis, July 1 – June 30.

Employees seeking to use FMLA leave are required to provide 30-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable. If leave is foreseeable less than 30 days in advance, the employee must provide notice as soon as practicable—generally, either the same or next business day. When the need for leave is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the case. Employees must provide sufficient information for an employer reasonably to determine whether the FMLA may apply to the leave request.

Employees are not entitled to wages or salary while on leave; however, **employees must exhaust paid leave balances prior to substituting unpaid leave** while on FMLA. Employee leave balances will be deducted beginning with Sick Time, Personal Time, Vacation Time (if applicable), unless otherwise requested. In addition, upon returning from leave, the employee must be returned to the previous job or an equivalent position.

Employers must maintain the same group Health Insurance coverage that was available to the employee at the time the leave began. However, the employer may require an employee to establish an escrow for an amount equal to the entire premium for 8 weeks of the coverage. The employer may retain all or part of this escrow if the employee quits within 30 days of returning from a family or medical leave. In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

Employees covered by the law must post a notice setting forth the employee rights under the Family and Medical Leave Act. All employers of 25 or more persons must post their family and medical leave policies in a prominent location (s.103.10). This provision does not increase the number of paid/non-paid days of allotted absence.

Under some circumstances, employees may take FMLA leave intermittently – which means taking leave in blocks of time, or by reducing their normal weekly or daily work schedule. Where FMLA leave is for birth or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval. FMLA leave may be taken intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work. If the need for intermittent leave is foreseeable based on planned medical treatment, the employee is responsible for scheduling the treatment in a manner that does not unduly disrupt the employer's operations, subject to the approval of the health care provider. In such cases, the employer may also transfer the employee temporarily to an alternative job with equivalent pay and benefits that better accommodate recurring periods of leave than the employee's regular job.

Note: An employee shall schedule family leave after reasonably considering the needs of his/her employer and is to make a reasonable effort to schedule the medical treatment or supervision so that it does not unduly disrupt the employer's operations. (For example, it is reasonable to expect that family leave, in a school setting, under normal circumstances, be continuous so that such leave would include scheduled summer vacation, school vacation days, and other days as defined in the school calendar as well as regular school and service days that occur during the leave. This helps ensure the least amount of disruption to the students.)

Procedure for Taking a Family and Medical Leave

An employee seeking to take a Family and Medical Leave should notify their supervisor or building administrator in writing by completing a FMLA Request Form no later than thirty (30) days, if possible, before the anticipated leave.

Additional information about employee FMLA rights and responsibilities will be provided to you in writing within five business days after receipt of the FMLA Request Form by Human Resources.

Determination of eligibility for leave under the FMLA, and/or additional documentation or clarification of documentation, may be required prior to making a final FMLA determination to approve or deny a FMLA leave request.

Jury Duty/Court Appearance

RCS recognizes its employees' civic obligation to serve as jurors when called; therefore, an employee will be granted a leave of absence, without penalty and with pay, for this purpose. An employee who is selected for jury duty is not required to submit the check he or she receives for serving on the jury.

Paid Holidays

Full-Time (≥ 30 hrs) and Part-Time (< 30 hrs but ≥ 20 hrs) employees are eligible for Paid Holidays.

Eligible employees will be paid for holidays that fall on a day that they normally would have been scheduled to work. The numbers of hours paid should equal the hours the employee would normally have been scheduled to work on that day had it not been a holiday.

Paid Holidays include New Year's Day, Good Friday, Memorial Day, 4th of July, Labor Day, Thanksgiving, Thanksgiving Friday, Christmas Eve, Christmas Day. If a Paid Holiday falls on a Saturday or Sunday, the RCS President will determine which day, if any, will be considered a Paid Holiday.

If you are required to work on one of the identified Paid Holidays, you will be granted an additional day off with pay in lieu of the Paid Holiday you were required to work.

Paid Holidays will not be counted as time worked for overtime.

Contracted employees are eligible for time off, but they will not receive additional Holiday pay.

Sick Time Donation Program

Regis Catholic Schools recognizes that employees may have a medical emergency or catastrophic illness to themselves or an immediate family member resulting in a need for additional time off more than their available Sick Time. To address this need, eligible employees will be allowed to donate paid Sick Time from their unused balance to their co-workers in need of additional Sick Time, in accordance with the policy outlined below. This policy is strictly voluntary.

Medical Emergency / Catastrophic Illness is defined as any illness or injury that results in a medical condition that a licensed physician has certified is likely to require the employee to miss fifteen (15) or more days of work during the following 12-month period.

Immediate Family Member is defined as a spouse, child, or parent.

Eligibility: Employees must be employed with Regis Catholic Schools for a minimum of one year and be eligible for Sick Time to be eligible to donate and/or receive donated Sick Time.

Exclusions: Specifically excluded from this policy are cosmetic or other elective surgeries and normal pregnancies. - In the event the employee is incapacitated to the extent they are incapable of personally requesting donated Sick Time, such request may be made on their behalf by the nearest relative or any group of three (3) employees acting on behalf of the incapacitated employee.
- Nothing in this policy will be construed to limit or extend the maximum allowable absence under the Family and Medical Leave Act.

Donation of Sick Time

- The donation of Sick Time is strictly voluntary and is irrevocable.
- Donated Sick Time will go into a leave bank for use by eligible recipients.
- Recipient identity will not be disclosed to donating employees.
- The donation of Sick Time is on an hourly basis, without regard to the dollar value of the donated leave.

Besides the required application form/resume, each applicant for an educational position in the Diocese of La Crosse must present a credential file or its equivalent containing original or certified transcripts of graduate and/or undergraduate credits, records of religious certification, letters of recommendation, and a waiver of confidentiality form. Falsification of any documents relevant to the application or records of continuing education shall constitute grounds for immediate dismissal. In addition, all employees hired after 7-1-88 must complete a Form I-9.

Upon offer of employment, candidate is required to undergo a criminal background check. The check must be completed and returned prior to the employee beginning employment. Employees are reimbursed for the cost of obtaining fingerprints.

Each new employee must complete all requirements of the Diocese of La Crosse Safe Environment Training as a condition of employment.

Certification

All professional educators within RCS must maintain appropriate and current Wisconsin state certification in accordance with standards of the Wisconsin Department of Public Instruction (DPI) and Diocesan Policy 2205. It is the educator's/administrator's responsibility to renew his/her license. Professional educators hired without current WI certification are expected to develop a professional development plan that outlines the steps they will take to obtain WI certification. Generally, RCS expects non-certified educators to obtain their license within 3 years following the date of hire.

The WI DPI no longer issues a teaching license for the specialty subject of religion. Therefore, educators who are hired to teach only religion courses are exempt from this certification policy.

Teaching credentials and a copy of the license are filed in the employee's personnel file at Central Office. Expenses related to obtaining a new teaching license are the responsibility of the employee. Failure to maintain required licenses may be grounds for immediate dismissal.

Employee Code of Conduct (Interactions with Students)

Regis Catholic Schools encourages a close, warm and considerate relationship between students and teachers and staff. Our employees serve as the students' role models, guides and mentors in learning as well as in life.

Some activities may seem innocent from an employee's perspective but can be perceived very differently by students, parents and others; therefore, employees should not engage in any type of behavior that might have the appearance of impropriety if observed by others.

Employees must understand their own responsibility for ensuring that they do not cross the boundaries of an educator/student relationship. Although good-natured, heartfelt interactions with students certainly fosters learning, student/employee interactions must always be guided by appropriate boundaries regarding activities, locations, and intentions:

Meet Only in Appropriate Settings:

- An employee should not be alone with a student in a non-public space or inside a room with a closed door unless the space or room can be seen through a window. It is understood that teachers may meet with their students for educational purposes outside of classroom time and that some of those meetings will involve one-on-one meetings. Any such private meeting with a student should, whenever possible, occur with the door open or in a public space. If the circumstances require the door to be closed because additional privacy is needed, the meeting should be in a room with a window in the door that should remain uncovered, and the door to the room should remain unlocked.
- Employees should not be present at a student's home when a parent/ guardian is not present, whether for a social gathering or otherwise. In addition, employees should not invite students to their homes for holidays or other occasions without approval from the RCS President as well as written (e-mail/text can suffice) parental consent. Finally, employees should never have only one student alone at their home, nor should they have students to their homes at all unless there is another adult present.
- Employees should not intentionally be alone with a student on campus or away from the school without obtaining prior parental permission.

Limit Physical Contact:

- Employees should not discipline students in any physical manner.
- Employees should not have physical contact with a student, except that an occasional supportive, congratulatory, or quick hug, arm squeeze, or a pat on the back is permissible if welcome by the student. Patting of the buttocks with a hand even in an athletic context is prohibited. Note: If a student engages in repeated and/or prolonged physical contact with a school employee, the employee should clearly and firmly discourage such behavior and should notify a supervisor.
- Employees should not engage in physical horseplay, roughhousing, or other inappropriate physical games with a student.

- Remember Your Role Is as an Educator, not a Parent, Peer or Friend:
- Employees should not “hang out” with students outside of school for reasons not related to school or spend an inordinate amount of time “hanging out” with students even on campus. Adults at the school should always remember they are not the students’ “friends” and therefore should not be engaging in peer-like behavior with students.
- An employee should not give gifts to an individual student that are of a personal or intimate nature.
- Employees should not provide alcohol or drugs to a student, nor permit a student to drink or use drugs in their presence.
- Employees should not direct a student to keep a secret from or hide information from their parents or other school employees.
- Employees should not seek emotional involvement with a student for the employee's benefit.
- Employees should not make or participate in sexually inappropriate comments or conversations; make sexual jokes, stories, or comments with sexual innuendo.
- Teachers should not use sexual or inappropriate material as part of a class lesson, even as a joke.
- Employees should not discuss their personal troubles or intimate issues with a student.
- Employees should not gossip with students about other students or adults in the school community.

Avoid Personal Electronic Communications:

- Employees should not engage with students via their personal social media accounts and should not friend, follow or send personal social media messages to students.
- Employees should not use personal email or texts to communicate with students rather than using school email and communication systems. (Limited text messaging is permissible for arranging logistics of school activities off campus or in emergency situations, but employees should generally use group text functions in such circumstances).
- Employees should not send emails to students if the content is not about school activities.

Remember Special Boundaries Issues for Athletics:

- In athletic facilities, employees should not shower or change in locker rooms when students are present.
- Employees should supervise locker rooms, as necessary, to prevent misbehavior and injury, and should do so by announcing their presence as they enter, unless to do so would undermine their ability to discover the misbehavior suspected.
- Coaches and other athletic staff should not be alone with a student when engaging in otherwise permitted physical contact, such as when teaching a skill.

Compensation Statement

All Non-Contract Employees are hired under a Compensation Statement. All non-contract employees are “at will” employees and are subject to all the applicable policies, regulations, and guidelines of the Diocese of La Crosse.

Compensation Time

In keeping with Federal and State employment regulations, RCS does not grant employees additional compensation time off in lieu of overtime pay. Employees working more than their scheduled hours in one workday may be asked by their supervisor to work less hours on another workday within the same Work Week.

Contract Modifications

In situations where there is a request for a contract modification, the Diocesan Director of the Office of Catholic Schools should be notified immediately. Contract modifications include, but are not limited to:

- Adding or deleting teaching and/or coaching duties
- Raising or lowering salaries
- Adding, deleting, or altering fringe benefits
- Resignations from the contract
- Leaves of absence from the contract

Only modifications approved by the Bishop or his delegate are valid, and the breach of contract fee can only be modified or waived by the Diocese. The diocesan uniform contract modification form must be used in all cases.

Contract Renewal

On or about April 1 of the school year during which a teacher holds a contract, RCS shall give the Employee written notice of renewal or refusal to renew his/her contract for the ensuing school year. An employee who receives a notice of renewal of contract for the ensuing school year shall accept or reject in writing such contract by no later than 15 days from date of receipt. There shall be no obligation on the part of RCS to renew contracts after the expiration date stated, and fulfillment of the terms of the contract does not entitle the Employee to tenure or expectation of contract renewal.

Direct Deposit of Paychecks

RCS offers, and expects, all employees have their paycheck directly deposited into a checking or savings account. For those employees who elect to have their paycheck directly deposited, RCS will provide a detailed payroll voucher in place of their paycheck. Employees can fill out a Direct Deposit Authorization agreement at the time of hire or anytime thereafter.

Donation Receiving and Thanking Process

The IRS requires RCS to acknowledge donations of \$250 or more to anyone who donates to our system. Some donors give many times throughout the year, both monetarily and through in-kind donations. RCS needs to be able to accurately track donations to provide an accurate end-of-year donation summary. Please use the Donation Acknowledgment Form when appropriate.

Monetary Donations

When funds come to a staff member, they should make personal contact with the donor to thank them, either face-to-face or via e-mail, phone call, or a personal note.

The staff member should then fill out the Donation Acknowledgement Form and send it, along with the donated funds, to the Controller at the Regis Catholic Schools Central Office. It will be processed and recorded in the donor database and a tax receipt/donation letter for donations of \$250 or more will be mailed.

If there is any confusion as to the purpose or intention of a donation, the Controller, President, or Advancement Director will reach out to the benefactor to determine the intention of the gift and the President will ensure the designation.

In-Kind Donations

When donated item(s) are received, the staff member should make personal contact with the donor to thank them, either face-to-face or via e-mail, phone call, or a personal note.

Staff should then e-mail the Advancement Assistant with the donor's name and the information about the item(s) that were donated. Please include as much information as possible, such as the product, brand, color, quantity, and the estimated value, if possible. These donations will be tracked in the database so the donors can receive tax credit for the donation. A tax receipt/ donation letter for donation of \$250 or more will be mailed.

Drugs and Alcohol

All RCS buildings are smoke free facilities.

RCS maintains a workplace free from the use of illegal drugs and alcohol, as well as the misuse of legal drugs. Employees are strictly prohibited from possessing, selling, consuming, or being under the influence of alcohol or illegal drugs while on the job.

Teachers, staff, and coaches are to refrain from the use of alcoholic beverages, tobacco, or illegal drugs before or during any activity in which they are supervising students. This includes travel to the event or returning from the event.

Any suspected use or abuse of alcohol or illegal drugs while on the job by any faculty or staff member is to be immediately reported to Human Resources building administrator or the President of RCS. Any employee may be subjected to drug/alcohol screening under the following conditions:

- When reasonable suspicion exists to believe an employee has violated this policy, or
- Following an on-the-job accident.

Any violation of this policy may result in disciplinary action up to and including termination.

It is the policy of Regis Catholic Schools that no person may be discriminated against in employment by excluding any applicant from consideration for employment on a basis prohibited by local, state, or federal law.

A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities.

RCS employees may refer to the Diocesan Policy and Regulation Manual for a description of Personnel Files and exemptions.

Reduction in Force

The administration is committed to the mission and history of Regis Catholic Schools. However, there are a variety of factors that can affect the stability of the school and in turn jeopardize employment.

Reduction in force decisions are determined by the administration. Seniority is not the determining factor but is one of the factors considered. Other factors include, but are not limited to, areas of curriculum or program need, evaluation of teaching performance, willingness to collaborate as a team member, and co-curricular and/or administrative duties and responsibilities.

Sexual Harassment

The Diocese of La Crosse has a strong and clear policy prohibiting any form of sexual misconduct or sexual harassment by employees of the Catholic Schools of the Diocese of La Crosse.

All employees of the Catholic schools of the Diocese of La Crosse are entitled to work in an atmosphere free from sexual harassment or any other forms of sexual misconduct.

Sexual harassment is defined as any unwelcome sexual advance, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. "Unwelcome verbal or physical contact of a sexual nature" includes, but is not limited to, "the deliberate, repeated making of unsolicited gestures or comments, or the deliberate, repeated display of offensive, sexually graphic materials which is not necessary for school purposes."

No employee shall be subject to sexual harassment or other forms of sexual misconduct as a Catholic school employee.

Any employee who engages in sexual harassment or other forms of sexual misconduct shall be subject to severe disciplinary measures up to and including discharge from employment.

Any employee who believes that he or she is being sexually harassed or is the victim of sexual misconduct by Diocesan agents shall report immediately such information to the Diocesan Director of Catholic Schools, who shall report the matter to the Diocesan Bishop. The employees shall follow the procedures outlined in the Diocesan policy on sexual misconduct. Each employee shall sign a

statement acknowledging both receipt and review of the Diocese of La Crosse's Sexual Misconduct Policy and Procedures and the Diocese of La Crosse's Child Sexual Abuse Policy and Procedures.

No employee shall receive any adverse employment action or be retaliated against for reports of sexual harassment or sexual misconduct made in good faith.

Staff members are to report any harassment of students to the building administrator or guidance counselor immediately. Harassment of any kind is not to be tolerated.

Social Media and Networking

Social media is defined as any form of online publication or presence that allows users to engage in multi-directional conversations in or around the content on the website. This includes, but is not limited to, Facebook, Twitter, Instagram, Snapchat, YouTube, blogs, document sharing, email, etc.

As a staff member of Regis Catholic Schools, you will be identified as representing your program area and our school system in what you do and say online. When using these social media outlets, faculty and staff members should conduct themselves according to the standards described in our Regis Catholic Schools Core Values of Faith, Responsibility, Teamwork, Excellence, and Leadership – just as you would while working in our schools.

As an employee of Regis Catholic Schools, you will need to be mindful of how you represent yourself on social networking sites. Below are guidelines when using social media communications:

- “Friending”, “Following”, or texting a STUDENT within our Regis Catholic Schools system is not allowed.
- “Friending”, “Following”, or texting a PARENT within our Regis Catholic Schools system is discouraged.

All communication should be done in good taste and be age appropriate.

Staff must avoid communicating with individual students and families through personal communication devices such as cell phones, tablets, etc. for any school-related matters or personal matters.

E-mail or text communication with students and families as a group is allowed. Again, you are never allowed to e-mail or text an individual student within the Regis Catholic Schools system. All forms of this communication must be sent to multiple students at once.

Staff must avoid posting students or staff members' pictures on their personal social media sites. Current parental consents apply only to system sites and social media pages.

Employees may not misrepresent RCS by creating, or posting any content to any personal or non-authorized website that purports to be an official/authorized website of RCS. No employee may purport to speak on behalf of RCS through any personal or other non-authorized website.

Consider carefully what you post through comments and photos. You are responsible for the content you post. Remember that what you post will be public for a long time. It can be forwarded or shared with the click of a button.

Learn how to use the different security options on your account. This will allow you to block people other than your “friends” from viewing any of your information.

Online postings and conversations are not private. Do not share confidential information or specific information about families or other staff members.

If you have school-related content (i.e., photos, videos) you would like to share with our Regis Catholic Schools families and supporters via the Regis Catholic Schools social media pages and/or our Regis Catholic Schools website, please send that content to the RCS Communications Director. If useable, he/she will post the content on the appropriate Regis Catholic Schools social media pages and/or our Regis Catholic Schools website.

Staff Workdays/Job Assignments

Hourly and School-Year Employees may be scheduled for back-to-school and end-of-year teacher workdays.

Teachers may be assigned duties during one of their designated prep periods. Part-Time Teachers, Non-Contracted, or Hourly Employees may receive additional compensation for additional duties assigned beyond their normal work hours.

Employees who are assigned other duties during their regularly scheduled work hours are not entitled to additional compensation as this is considered a reassignment of duties for that given period.

Teachers (Full and Part-Time) are required to participate in all school faculty meetings, and such other professional meetings as called by Diocesan or school authorities for improving and/or coordinating the work of the employee; to comply with the requirements of the Diocese of La Crosse and the State of Wisconsin regarding the educational preparation of teachers; and to participate in meetings for promotion of close collaboration between parents and teachers.

Occasionally, Non-Contracted or Hourly employees may be required to attend a staff meeting. The hours for these meetings should be recorded as time worked.

Substitute Teachers

Ideally, Substitute Teachers will have qualifications equal to the regular teachers on staff. At a minimum, Substitute Teachers must have a 4-year college degree and/or a DPI issued Teacher license. An emergency could be an exception. Substitute Teachers who are DPI licensed will be given preference.

Substitute Teachers shall be assigned at the discretion of the building administrator.

The responsibilities and duties of Substitute Teachers shall be consistent with the regular employee's responsibilities and duties for whom they are substituting.

If school is closed on a day that a Substitute Teacher is scheduled, he or she will not be paid.

Substitute Teachers will be paid at a daily rate of pay as defined in the Substitute Teacher Annual Agreement. Substitutes are paid by Regis Catholic Schools.

Substitute Teacher (Long Term)

When a Substitute Teacher is assigned to one specific teaching position for more than 10 consecutive workdays, they will be considered a Long-Term Substitute and shall be compensated at the Long-Term Substitute daily rate of pay as defined in the Substitute Teacher Annual Agreement.

When a Substitute Teacher works in one specific teaching position for more than 10 consecutive workdays, on the 11th day, the Substitute Teacher shall be considered a Long-Term Substitute Teacher, and he/she will be paid at the higher Long-Term Substitute daily rate of pay as defined in the Substitute Teacher Annual Agreement.

Substitute Teaching by RCS Teachers

On occasion, a regular teacher will be asked to substitute for one or more class periods to assure the smooth operation of the school in case of the unexpected absence of a colleague.

Teachers are to fulfill this request. Every reasonable effort will be made by the building administrator to avoid taxing one teacher for these occasional assignments. If hours beyond the teacher's contracted hours are incurred, the teacher will receive the appropriate Substitute Teacher rate of pay.

Supervision and Evaluations

RCS administrators are to establish a planned, continuous program of supervision for all teachers. Copies of all supervisory reports, written warnings, and conference summaries should be signed by the teacher and school administrator, a copy given to the teacher, and a copy retained in the employee's Personnel File, which is located at Central Office.

RCS follows the Diocese of La Crosse evaluation process which utilizes the four Danielson Domains. A fifth domain of Catholic Identity adds to the standards for competency. This evaluation system allows for random and clinical observation throughout the year.

Administrators will formally complete evaluations on new teachers the first two years. All teachers will be formally evaluated every three years. Each faculty member must complete an Individual Professional Growth Plan (Pro-Grow) yearly. At the end of the year, the teacher and administrator will complete reflections with successes and challenges on the Pro-Grow form. When an improvement plan is warranted, this evaluation can occur any time during the year.

Vehicle Safety Policy

To ensure the safety of our students, employees, and volunteers, anyone that drives ANY vehicle used for a diocesan, parish, and/or school activity within the Diocese of La Crosse must observe the Diocese of La Crosse Vehicle Safety Policy.

The complete policy and all required forms can be found [here](#).

Volunteers

Any Teacher or support staff member requiring the use of a volunteer is responsible for making sure that said volunteer is 100% Safe Environment compliant before they are allowed to have any contact with RCS students. Please see "Safe Environment Policies and Procedures" for further information.

Wages (Hourly Employees)

Wages for Hourly Employees employed under a Compensation Statement shall be determined annually by RCS President.

RULES AND REGULATIONS

Business Related Expenses, Forms, and Reimbursement

Purchase Orders

Before ordering office or classroom supplies, textbooks, and other business-related items from a vendor, staff members must either fill out a purchase order or Payment Request form. Forms are available in the school office or in Google Drive. All purchase orders must include the name and address of the company, the appropriate catalog number, the number of each item desired, a description of the item, a telephone and/or fax number (if available), the cost per item, account coding, total cost, and shipping charges if this can be obtained. All forms must have the approval of the supervisor before the materials are ordered or the employee may be required to pay for the materials.

Reimbursement for Business Expenses (Payment Request Form)

At times staff members may purchase business-related materials by using personal funds. All expenses/purchases must be pre-approved by the supervisor. **Please note the following:**

- RCS strongly encourages all employees to plan ahead of time so that these types of reimbursements occur on a limited basis only. **RCS will reimburse an employee for reasonable business expenses incurred but will not reimburse them for sales taxes paid on these types of purchases.**
- An employee is expected to limit expenses to reasonable amounts.
- A Payment Request Form, with the supervisor's signature and the original receipt attached to it, must be filled out and turned in to the finance office for payment.
- Receipts should only have business related items on it only, so please request separate receipts when purchasing personal and business-related items at the same time.
- **Reimbursements cannot be made from copies of receipts, bank statements or credit card statements, as statements do not show the items being purchased.** Reimbursements can only be made from the ORIGINAL RECEIPT.
- Payment will not be made unless properly authorized. Staff should expect reimbursement to take approximately two weeks.
- Expenses and purchases will generally be reimbursed, including following:
 - Mileage – RCS reimburses \$0.45 per mile
 - Seminar/workshop enrollment fees
 - Products purchased for the general operation of the office
 - Classroom supplies

Staff members who are attending an out-of-area workshop or seminar and who will need to reserve a room at a hotel should see your building administrator prior to making the reservation. It is important for us to notify the hotel of our tax-exempt status to minimize the taxes paid on such rooms.

If money is available through the Home and School Association, these purchases must total approximately the amount allotted to each teacher before the teacher requests reimbursement. Please make note on all forms if the money is to be paid from Home and School Association, Booster Club, or RCS Foundation to ensure proper account coding.

Employees may port their current phone number to the RCS Verizon contract by filling out the Transfer of Billing Responsibilities Form. The employee is responsible for paying any balance on a device being transferred to the school account. Employees may also receive a new phone number as assigned by Verizon when the account is created.

Employees who are no longer employed by Regis Catholic Schools must return any device issued for their use which was purchased by the school. The phone number may be ported to a personal Verizon service contract by filling out a Transfer of Billing Responsibilities Form. The employee is responsible for any transfers to a company other than Verizon.

When Regis Catholic Schools issues a device, a protective case with screen protection will be included. It is the expectation that the case remains on the device. The employee may purchase their own case or screen protection. Device damage is the responsibility of the employee. Employees may elect to enroll in phone protection through Verizon at a rate of \$8.50 per month.

Due to the classification of the service plan as Government/Education, any phone or service modifications must be completed by the Technology Coordinator or Controller. Local Verizon stores are not able to access account information or troubleshoot device issues.

Devices will be eligible for an upgrade every 18 months. Upgrades will be based on the functionality of the current device at the discretion of the Technology Coordinator in consultation with the employee.

Personal Device Reimbursement

Employees that wish to use their personal device for work related duties are eligible for reimbursement, but they are responsible for all costs related to their device and contract. Any hardware or service issues should be resolved directly with the mobile service provider. The employee will be reimbursed at a negotiated rate (not to exceed \$55 per month). This is based on the amount to add a line to the school service plan and the cost of a new device at the end of the upgrade period.

Expectations

It is expected that the employee with a school-issued device or receiving reimbursement use the device for school-related business. School-issued devices remain the property of Regis Catholic Schools. Regis Catholic Schools will cooperate with any law enforcement requests for device or data at the direction of Diocese of La Crosse legal counsel.

Cell Phone Use (Personal)

Teachers should refrain from using personal cell phones in front of students and should not be using them while they are working. Teachers may use prep time, lunch time, or other breaks away from students for any calls they wish to make or to check text messages and/or voice mail.

All non-teacher employees are also asked to refrain from using personal cell phones during their scheduled work time.

Confidentiality

Rather than strict confidentiality regarding student-school employee communication (verbal and written), the Diocese of La Crosse Catholic schools operate under a “spirit of confidentiality”.

This means that outside of the sacramental confidentiality between priest and penitent, strict confidentiality cannot be promised to the student if the information disclosed by the student includes, but is not limited to, one or more of the following:

- Information that concerns violation of the law.
- Matters involving the health and safety of the student or any person.
- Serious moral issues.
- Any other matter that raises serious enough concern in the mind of the employee that he or she believes it is important to share the information with the school administrator.

The school administration, after consultation with the Office for Catholic Schools, may choose to disclose the information to parents, legal authorities, medical personnel, or other personnel deemed necessary.

All RCS employees are expected to honor appropriate confidential information. Teachers are not to discuss students or other employees with others outside the school setting. Disclosure of confidential information could result in reprimand, suspension, or termination.

Dress and Appearance

The personal appearance of Regis Catholic School employees should convey to our students, families, and community the professionalism, competence, commitment to excellence, and our sound character and moral within the Regis Catholic Schools system.

Attire:

- Employees should dress in a professional manner.
- Clothing must be clean and in good condition.

Hair and Grooming:

- Hair must be kept clean, brushed, well managed, and of natural color.
- Facial hair on men, such as beards, mustaches, goatees, and sideburns, should be clean and neatly trimmed.

Tattoos and Jewelry:

- Tattoos may be allowed but must not convey violence, discrimination, profanity, or sexually explicit content. Some tattoos may need to be covered during school/work hours.
- Jewelry and accessories should be kept to a minimum and be conservative to reflect a professional image. Piercings in places other than the ears must be removed during school/work hours.

Examples of Prohibited Dress and Decorum Practices:

- Wearing excessively baggy, tight, body conforming, faded, or frayed clothing.
- Wearing mini-skirts, halter tops, dresses, or tops with spaghetti/similar straps or sheer/revealing clothing (e.g., bare midriffs, cleavage showing, tube tops).
- Wearing clothing with potentially offensive graphics or words.
- Wearing blue jeans unless it is a designated jeans or “dress down” day.
- Wearing sweatshirts, workout clothing, or jogging suits (unless you are a PE teacher).
- Having unnatural hair colors (such as blue, green, purple, or pink) or extreme hairstyles.
- Wearing leggings that are sheer or leggings worn with shirts/dresses that are shorter than mid-thigh.

Keys and Use of School Facilities

Teachers are responsible for classroom and building keys and fobs. The elementary buildings work with their parish regarding distribution, collection, and deposits for keys/fobs. Regis faculty

and staff work with their supervisor to secure keys. If keys are lost, please report this to the office immediately. Any teacher using the building after hours or on weekends is responsible for closing and locking the classroom and building doors, as well as making sure that all lights have been turned off and all windows closed. The keys to the school building are for personal use only and at no time are to be given to any unauthorized person. Students should not be allowed to use staff keys at any time.

Each parish may have varying procedures for use of school facilities outside the school day. In general,

- The office must have prior notification, and the proper form is to be completed and returned (if required).
- The faculty member in charge is responsible for making sure that the building is secure at the conclusion of the event. This includes all doors being locked, windows closed, lights turned off, etc. The faculty member is to be the last person to leave the building.
- At no time should the faculty member allow students to use school keys.

Personnel Accommodations

Each school has an area designated for faculty/staff separate from their classroom. Students are not allowed in these areas. Telephones are located throughout the building. Personal calls should be kept to a minimum.

Each building administrator will designate parking areas for faculty and staff. Cars not in their proper parking spaces may be removed at the owner's expense.

Raffle Policy

The Regis Catholic Schools Central Office will hold all raffle licenses and be responsible for the renewals and any reporting as required by the State of Wisconsin. This is for ALL raffles conducted by any Regis Catholic Schools recognized clubs or offices that are affiliated, representative, or supportive of Regis Catholic Schools and/or its students. A few examples would be, but are not limited to, the Music Booster Club, Athletic Booster Club, Drama Club, Environmental Club, and the Development Office. This also includes special interest groups such as parent groups in charge of student functions like the senior lock-in or any sports team that may want to hold a raffle to raise money for their own interest.

To be assured that Regis Catholic Schools is in accordance with the state laws and its requirements, all raffles should be approved by the RCS President. Raffles may also be subject to Regis Catholic Schools approval based on our identity and our Catholic values.

As a State-licensed organization, Regis Catholic Schools is entitled to 200 raffles a year. The Central Office will hold both A & B Wisconsin raffle licenses, which are described as follows:

Class A Raffle License

The license type requires a raffle in which some or all the tickets for that raffle are sold on days other than the same day as the raffle drawing. Note: All Class A raffles are required to archive all the sold

ticket stubs for one year after the drawing. The stubs shall be turned in to the Central Office for archiving.

Class B Raffle License

The license type required to conduct a raffle in which all the tickets for that raffle are sold on the same day as the raffle drawing. Examples would be bucket raffles or a ticket sold for a chance to shoot free throws at a basketball game.

Workroom and/or Faculty Mailroom

At no time should students be allowed in the faculty workroom and/or mailroom to use the copier, telephone, or other items. Computers, copies, and other items are placed in the faculty workroom and/ or mailroom for the teachers' use and convenience. Paper supplies are also available for faculty use. The school is to be reimbursed for paper and/or other materials that are used for personal use.

GRIEVANCE PROCEDURE/TERMINATION

Administrative Recourse

All disputes concerning employment/service agreements and personnel policies and other differences between employer and employee shall be resolved through Diocesan Administrative Recourse.

Diocesan Administrative Recourse shall constitute the exclusive method for resolving such disputes and all employees are bound by its determination as final and binding upon them. No dispute shall be submitted to Diocesan Administrative Recourse unless, within 30 days of the occurrence giving rise to the dispute, the employee commences the first step of the Diocesan Administrative Recourse.

Outline of the chain of authority to be followed in resolving disputes:

- | | |
|--|--|
| 1. Teacher or other
school employee | 4. Pastoral Authority
(nonunified system) |
| 2. Principal/Building
Administrator | 5. Dean |
| 3. President (if there
is one) | 6. Diocese |

****Procedure in the Diocese of La Crosse:**

When one of Christ's faithful judges himself or herself injured by the decision or action of a person exercising pastoral or administrative authority in the Diocese of La Crosse, he or she, first, is to confront the person in question with the grievance and seek reconciliation with the person.

If the party who judges himself or herself injured is not able to achieve reconciliation by conversation with the authority involved, he or she may present the grievance to the pastors of the Church within thirty calendar days of the time of the alleged injury. The recourse is to be made in writing and is to state the facts of the conflict and the reason or reasons why the party

judges himself or herself injured. The response to the recourse also is to be made in writing and it is to state the reasons for the response given.

If the grievance is against an authority in the parish, the appeal first is to be made to the pastor who is to seek to reconcile the two parties. At this level and at the successive levels, the pastor may seek the assistance of others, especially those respected for their ability to reconcile; but in the end the pastoral authority remains responsible for seeking the resolution of the conflict. No consultative body as such or members of consultative bodies, in virtue of their membership, should be given the pastoral responsibility of resolving such conflicts. The consultative body, e.g., the parish pastoral council, has responsibility for assisting the pastor in drawing up good policies for the pastoral activity of the parish and for assisting the pastor in clarifying policies in cases of conflict of interpretation. It does not, however, engage in the administration of the policies. The pastor is obliged to respond to the recourse within fifteen calendar days from the time he receives it. Once the pastor has given his response to the recourse, the conflict is considered reconciled, unless the pastor's response is appealed to the dean within fifteen calendar days from the date the parties in conflict receive the response.

If reconciliation is not achieved with the pastor's help or if the grievance is against the pastor himself, the appeal is to be made to the local dean who by office has special responsibility for promoting harmony of pastoral action and unity of Church life in his deanery. (cf. Can 555, 1, 10; 2, 20) If the grievance is against the pastor, and the pastor is the local dean, then the appeal is to be made to the dean of the closest neighboring deanery, with the consent of the Diocesan Bishop. The dean is obliged to respond to the recourse within fifteen calendar days from the date he receives it.

If reconciliation is not achieved on the deanery level, or if the grievance is against the dean in the exercise of his office of dean, then the appeal is to be made to the Diocesan Bishop directly. The Diocesan Bishop may carry out the work of the reconciliation himself or he may name another to act for him in the matter. In the latter case, the Diocesan Bishop is obliged to respond to the recourse within fifteen calendar days from the date he receives it.

If the grievance is against the Diocesan Bishop, the legislation in the Code of Canon Law is to be followed. (cf. Canon 1732-1739)

It should be kept in mind that the Code of Canon Law requires a special procedure to be followed by the Diocesan Bishop in the case of the removal of a pastor (cf. Canon. 1740-1747) or the transfer of a pastor unwilling to be transferred. (cf. Canon. 1749-1752)

****Penalty Status during Administrative Recourse Procedure**

The penalty for a violation of a school or diocesan policy or regulation is to be enforced during the recourse procedure. However, a request can be made to the diocesan director of schools to speed up the recourse procedure. This request can be made by the school, employee, student or parent affected. The request can be granted or denied.

Termination/Suspension

The individual teacher's Contract for Employment provides that RCS shall have the right to terminate or temporarily suspend the employee for disciplinary reasons including, but not limited to misuse of property, insubordination, reckless conduct creating risk of harm to others or damage to property, detrimental behavior or conviction of a crime, the sale, offering for sale, use or possession of illegal

drugs or the use of alcohol or illegal drugs during the school day or on school premises, disorderly conduct which substantially impairs discipline and order of the school environment, and negligent or unsafe conduct by failing to use ordinary and reasonable care in the performance of school related duties, which results or may result in injury, property damage, or financial loss to the school.

ACADEMIC PRACTICES AND POLICIES

Academic Progress Reports and Report Cards

Academic Progress Reports are to be issued at the time designated by the building administrator each academic quarter. These are to be used to inform parents of student deficiencies in academic areas or to inform parents of student improvement in the classroom setting. Teachers are required to contact parents in time to improve the grade if the student is failing. Teachers are encouraged to contact parents at any time with concerns about student achievement or behavior.

Report cards are distributed at the end of each academic quarter. Teachers are required to enter the grades of each of their students using the grading program designated for each school. Comments that assist in explaining grades or conduct are appropriate.

The letter standards for Regis High School Letter Grades are:

A - Superior work

B - Above average work

C - Average work

D - Below average work

P - Will meet graduation requirements, but hasn't mastered subject satisfactorily to obtain a letter grade

F - Student has not performed satisfactorily to obtain a passing letter grade - necessary work has not been completed. Students have 10 school days to complete the necessary work.

Failure to do so would result in a grade of F being awarded for all work not completed.

+ (plus) and - (minus) grades are given except there is no A+

The grading conversion scale for determining grade point average (GPA) is provided in the student handbook. Semester grades are to be arrived at by using all grades for the two (2) quarters of the semester and the semester exam. Only semester grades are recorded on the student's transcript.

Lesson plans will be prepared weekly. Objectives for courses or grade levels will be posted via web page or in the classrooms. Assessments will be communicated to students at the beginning of every unit or chapter with rubrics or displayed instructions.

Activity Accounts: Expenditures

Any advisor of a club or organization and/or coach of an athletic team is to complete the appropriate form for expenditure of money and have it approved by the building administrator, or his/her designate, prior to the purchase. Not following this procedure may require the advisor or coach to pay

for expenses out of their own pocket. All expenditures are expected to reasonably fit within the amounts/ limits of designated budgets for that activity, event, or athletic activity.

Activity Accounts: Fund Raising

Any advisor of a club or organization and/or coach of an athletic team is to complete the appropriate form to raise money. The fundraising form can be found in the school office and all sections are required to be completed with administrative signatures. The fund-raising form will be sent to the Central Office for President approval prior to starting said fundraising efforts. All funds will be required to be deposited in the appropriate activity account maintained by RCS. Product to be sold or contracts used by vendors in fundraising efforts may not begin before all required administrative signatures have been made. Please keep in mind, it is a goal of RCS to be careful to not solicit the same individuals, businesses, and/or donors repeatedly.

Artificial Intelligence (AI) Guidance

Artificial Intelligence (AI) is defined as technologies mimicking human intelligence and language, used to answer questions, produce images, and craft written content. This includes Generative AI, which can generate text, images, and other content based on the data it is trained on.

General Principles for AI Use

As a school system we want to provide students with the future-ready skills that will empower them to use technology and information, while understanding the digital citizenship and laws around ethical usage. These values guide our approach to technology, including AI:

- **Enhance Teaching and Learning:** AI should be used as a tool to enhance teaching and learning, rather than replacing human interaction. It should support educational goals and objectives, providing personalized learning experiences for students.
- **Transparency:** All users should be transparent about the role AI plays in their teaching and learning. Work created by AI should not be claimed as original. For example if a teacher or student used ChatGPT to create an image for a presentation, under the image there should be a note that states “Image Created by ChatGPT”.
- **Privacy and Security:** Protecting the privacy and security of all individuals within the educational community is paramount. AI systems must protect the privacy of student education records and comply with parental consent requirements.
- **Compliance:** Adherence to the Terms of Service of each AI tool/resource and all relevant policies, including the Regis Catholic Schools Information Technology and Social Media Acceptable Use Policies, is required.
- **Accuracy and Bias Awareness:** Users are expected to critically evaluate information generated by AI for potential biases and inaccuracies. Users are responsible for identifying and correcting those inaccuracies.
- **Human Oversight:** AI should be used in ways that support and maintain human decision-making and critical thinking in teaching and learning.

Ethical Guidance for AI Use

Examples of Permitted Uses:

- Staff are encouraged to leverage approved Generative AI tools to enhance, personalize, and transform learning.
- Personalized Learning: Support educational goals and objectives while providing personalized learning experiences for students.
- Content Development: Differentiate curricula, suggest lesson plans, and generate diagrams and charts.
- Assessment Design: Automate question creation and provide standardized feedback.
- Professional Development: Recommend teaching strategies and personalizing professional development.
- Generating Student Feedback: Provide insights and suggestions for improving student work.
- Administrative Tasks: Assist with scheduling, automate inventory management, communication (email, newsletter, etc.), and generate performance reports.

Responsibilities:

- Model Ethical Behavior: Staff should model ethical behavior when using AI tools with students. This includes modeling transparency by letting students know when and how AI helped with creating a lesson or assessment and modeling human oversight by checking AI content for accuracy and bias. Share examples of AI hallucinations or inaccuracies noticed during content creation.
- Ensure Accuracy and Appropriateness: Staff are responsible for the accuracy (i.e., potential biases or limitations) and appropriateness of AI or other technology used.
- Transparency: Be transparent about when AI is used. If AI-generated work is utilized, be transparent about how it was used in your communication.
- Maintain Digital Well-Being: Staff should use AI tools, and other technology, in moderation and maintain a healthy balance with technology use in the educational process.
- Report Concerns: If staff identify use of AI by students that violate ethics guidelines and/or our Information Technology and Social Media Acceptable Use Policy, or staff notice potential biases or issues with AI systems, they should report their concerns to administration.

Prohibited Uses:

- Compromising Privacy: Do not use AI systems to access or share private or sensitive information about oneself or others.
- Replacing Human Interaction: AI should complement existing resources and not solely rely on AI to replace established curriculum.
- Grading: AI tools can assist with feedback, but AI should not be used to make final grading decisions.

Attendance at School or RCS Sponsored Activities

Faculty who teaches within the RCS system are required to attend all regularly scheduled events which are organized by RCS or the teacher's school, and which are on the RCS or individual school's calendar. This would not include co-curricular activities such as sporting events, school dances, etc.; however, faculty are encouraged to attend as many of these events as possible.

Required events include, but are not limited to, parent/teacher conferences, in-service days, and all-school Masses.

Regis Middle and High School faculty are expected to attend Orientation/Staff Development, any Open Houses, Honors Ceremony, Baccalaureate, and Graduation/Promotion Ceremony for their respective school.

Elementary teachers are expected to attend all school concerts or programs, any Open Houses, and Graduation/Promotion ceremony for their respective school.

Exceptions to attendance may be granted by the building administrator of the faculty member's school in cases which are compelling reasons for not attending as determined by the building administrator. Any request for an exemption from attendance must be made in writing a minimum of five (5) school days prior to the event to the building administrator. The faculty member will be notified a minimum of two (2) days prior to the event of acceptance or rejection of the request.

Budget

At the appropriate time, individual teachers are to work with the department chairperson or building administrator to prepare an accurate and realistic budget for their classroom for the following school year.

Calendar

A master calendar of events is maintained by Central Office. It is essential to schedule all events and to record them on the master calendar to avoid conflicts. Any school event is to be approved by the building administrator before it is placed on the master calendar. If possible, events are to be scheduled a minimum of two weeks prior to the event to allow for notification of staff.

Catholic Atmosphere

The physical atmosphere of the classrooms should make clear the Catholic nature of the educational center. A crucifix, a Bible, religious articles, religious reading materials, a prayer center, and religious oriented bulletin boards are all an important part of this Catholic atmosphere. The faculty is urged to show their faith through prayer at the beginning of classes and at other times when they are assembled with students.

Catholic Doctrine and Morality Policy

"All persons commissioned to serve in the educational ministry of the Church in the Diocese of La Crosse must meet the following primary requisites: They must be persons of faith whose everyday

lives give witness to their faith. They must actively participate in the personal ministry of spreading the Gospel message through teaching. They must be properly certified for the assigned teaching or administrative responsibility and must pursue continuing education, especially in personal religious development.

All those who serve in the Catholic educational system must, as a condition of their service, support and exemplify in conduct both Catholic doctrine and morality. He or she must be consistent, in expression and example, with the teaching and practice of the Catholic faith and shall not teach, advocate, encourage or counsel beliefs or practices contrary to the Catholic faith.”

Violation of the above policy may be grounds for immediate dismissal.

Class and Homeroom Advisors – Regis High School

There is one faculty class advisor per grade level. This is a compensated position.

Class advisors are responsible for supervising any activity by a class that is organized to help to prepare for special occasions such as homecoming, prom, etc. If class members are to be working in school after regular school hours on such activities, it is the class advisor who is to directly supervise or to arrange for appropriate supervision of such activities.

Class advisors coordinate and direct classes in all-school and specific class activities which include, but are not limited to, the following:

Freshmen: Class Elections, Fund Raising Activities

Sophomore: Class Elections, Fund Raising Activities

Junior: Class Elections, Fund Raising Activities, Junior-Senior Prom

Senior: Class Elections, Fund Raising Activities

Graduation: Select Class Colors, Song, Motto, Flowers, Assist in Ordering Graduation Invitations, Organize Programs for Graduation

Two or more staff members may agree to share the duties and pay in whatever manner they agree.

Classroom Procedures

Any teacher has the right to set reasonable rules of conduct for the classroom. A copy of the rules should be provided to the students. The teacher reserves the right to impose additional rules or penalties as may be called for by the situation. The classroom teacher sets the standard for the students. If you are late to class, or do not require the students to be there on time, you are setting a poor standard for all other teachers in the building.

The key to successful discipline is to set classroom standards and then enforce them fairly, firmly, and consistently. Teachers are encouraged to attempt to handle disciplinary problems on their own unless the situation dictates differently. Teachers are also encouraged to use the guidance/school counselor, Assistant to the Principal, or administrator to help remedy academic or student management problems.

Drinks and food in the classroom are to be left at the discretion of the building administrator.

Classroom Maintenance

Teachers are required to keep classrooms orderly. This indicates support for our stewardship goal. Coaches, teachers, and staff are required to keep an accurate inventory of equipment, materials, and books. This should be updated each year. Black and/or whiteboards are to be washed daily or as needed. Children can clean erasers. Bulletin boards are to be used to create interest, to display student work, or to stimulate an activity. Avoid posting of any materials that are against the teaching of the Catholic faith or are contrary to school rules.

Teachers are to inspect classroom furnishings, desks, and other equipment frequently for any damage or graffiti. Immediate action should be taken to remedy any problem. Teachers are asked to make sure that desks are kept clean both inside and outside and that students are requested to pick up the area around their desks at the end of each class period.

Papers may be taped on the cinder block walls or pinned on bulletin boards. Do not tape anything on varnished surfaces or on the chalkboards. If display items are pinned or taped to the ceiling or windows, all tape must be carefully removed. Do not tape anything on varnished surfaces or on the boards. Please use only scotch tape or masking tape. Do not use duct tape. Do not tape anything to the ceiling tiles. Please remove all tape when the display is removed. Teachers using the hallways to display artwork, stage plays, etc. are responsible for removing all materials in a timely fashion.

Lights are to be turned off when the room is not being used. Windows should be closed at the end of the day. Computers should be turned off at the end of the day. The faculty lounge and work area are everyone's responsibility. These rooms are for meetings and for teachers to have a place of privacy.

Classroom materials should never be left in this area. Also, the refrigerator is for everyone. Teachers are to remove all their articles from the refrigerator or freezer at the end of each week. Students should never be allowed in these rooms.

Communications

Effective communication within the school and between home and school are essential for being informed.

Staff members are expected to:

- Check e-mail, their mailbox, and staff bulletin board twice a day.
- Contribute to the school and RCS newsletters.
- Submit content for social media pages.
- Respond to any messages and phone calls promptly.
- Submit a copy to the building administrator for his/her editing and approval prior to sending classroom letters or other information to parents.
- Update staff website frequently.
- Distribute any information being sent to students the same day that it is received.

- Prepare announcements to be read during homeroom by 8 a.m. All announcements should be in writing and signed by the adviser/teacher/coach.

Regis Catholic Schools publishes the Rambler Report three times per year in November/December, March, and July. Faculty and staff are encouraged to submit articles by the deadline given. The Communications Director should be notified of events or accomplishments of faculty or students so that appropriate publicity and recognition can be given.

Conferences

As a personal means of informing parents as to the development of their children, schools are to schedule conferences on a regular basis. Normally, the children should have the opportunity to be at these conferences. Conferences are to be scheduled at least twice a year, once during or shortly after the first quarter and once during or shortly after the second or third quarter.

Copyright

On January 1, 1978, the General Revision of the Copyright Law (P.L. 94-553), enacted in October of 1976, became effective. All Catholic schools in the Diocese of La Crosse have a moral and legal commitment to abide by copyright law. If you have questions about the legal requirements of what you can copy, ask your building administrator or librarian. More detailed information pertaining to the law can be obtained in the Diocesan Policy and Regulation Manual under DSR 3910. A copy is available in the building administrator's office at each school.

Desks/Lockers

Desks and/or lockers are property of Regis Catholic Schools. The school administration and/or teachers have the right to search a student's desk and/or locker. In cases when a teacher suspects a student of having on her/his possession any inappropriate or contraband material and believes such material is in the student's desk and/or locker, the teacher is to (1) ask the student and (2) inspect the desk and/or locker.

Drug/Medication Administration

The state legislature has provided for administration of drugs to students who must have medication while attending school. Any private school employee or volunteer authorized in writing by the private school administrator or building administrator, as well as any licensed school bus operator authorized by the proper school authority, may administer certain drugs to students. No employee, except a health care professional, may be required to administer a drug to a student under this law by any means other than oral ingestion.

Any drug, which may lawfully be sold over the counter without a prescription, may be administered in compliance with the written instructions and consent of the student's parent or guardian.

Administration of a prescription drug requires written instructions from a physician, dentist, or podiatrist and written consent from the student's parent or guardian.

The party authorized to administer the drug and the building administrator is immune from civil liability for their acts or omissions unless there is a high degree of negligence. “High degree of negligence” is defined as ‘conduct which demonstrates ordinary negligence to a high degree, consisting of an act which the person should realize creates a situation of unreasonable risk and high probability of death or great bodily harm to another.’ (This immunity does not apply to health care professionals.) The governing body of the private school whose employees or volunteers may be authorized to administer drugs under this law must adopt a written policy governing the administration. The policy shall include procedures for obtaining the filing in the school or other appropriate facility the written instructions and consent required. There must be procedures for the periodic review of the instructions, for the storing of the drugs, for record keeping and for the appropriate instruction of persons who may be authorized to administer the drugs. (For the proper protection of students and faculty, many schools require that the medication be kept in a locked cabinet.) (s. 118.29) (Copies of the state law can be found in the WCRIS Legal Handbook.)

Expulsion (Dismissal)

The dismissal or expulsion of a student from a Catholic school is a very serious matter and should be invoked only in extreme cases. Care should be taken that fundamental fairness is offered the students in the process of expulsion. All expulsions are to be approved by the Diocesan Director of the Office for Catholic Schools. If dismissal or expulsion is pending, the Diocesan Director of the Office of Catholic Schools is to be notified immediately. The Diocesan Director of the Office of Catholic Schools will review the case, consult legal counsel if necessary, and make recommendations back to the schools.

The Diocesan Director of the Office of Catholic Schools will then approve or deny the dismissal or expulsion.

The term “expulsion” is defined as termination of a pupil as a student from the school permanently (no opportunity for reinstatement).

The term “dismissal” is defined as the termination of a pupil as a student from the school indefinitely or for a given term.

Field Trips

Class visits to places of cultural or educational significance give enrichment to classroom lessons. A reasonable number of field trips are permitted and encouraged as part of the RCS education program. To ensure the desired outcome of such trips, teachers should prepare the students for the place that is to be visited and the things that are to be seen. A discussion should be held regarding the purpose(s) and goal(s) of the trip. An advance trip by the teacher is suggested. Field trips are a privilege. Schools can set minimum academic, effort, and conduct expectations for participation in such trips. The following are to be used to judge the usefulness of the event:

1. It is of an educational nature.
2. School time is being used because no other time is available.
3. The event is not scheduled during the last two weeks of either semester. The building administrator has discretionary power in allowing the event to take place during this time if

there was an attempt made to schedule the event at a different time and that time was not available.

If permission has been obtained for a group of students to be absent from school for some part of a day or days for a field trip, group performances, or any other school activity, the advisor is to provide the following to the school office at least one week prior to the event:

1. A list of all students and staff taking part.
2. All necessary driver information forms (If using volunteer drivers).

Approval for any field trip must be obtained from the building administrator at least ten (10) days prior to the trip. More than one class at a time is encouraged to participate in each field trip due to bussing costs. Field trips should have some educational benefit and normally be related to a studied topic. Parental permission is required for any school-sponsored activity off school grounds. The consent should include the basic information on the trip, such as where they are going, times, chaperones, and mode of transportation. The Diocesan Field Trip permission form is the only form that may be used.

Field trip permission slips must be given to the parents at least one (1) week in advance of the trip. These forms must be handed in to the teacher/school office at least one (1) day prior to the trip. Students without parental permission will NOT go on the field trip. Arrangements regarding supervision of any student(s) not going on a field trip must be made with the building administrator. Students are expected to follow the school dress code unless permission is given by the building administrator and the activity supervisor. Field trip participants must travel by bus to and from the activity site unless otherwise indicated on the permission slip. The school office coordinates bussing. Teachers are to submit a written request for a bus, including the date of trip, destination, time of pickup and departure, and number of people riding on the bus. Field trips will not be permitted after May 14 unless approved by the building administrator and RCS President.

Information Technology Acceptable Use Policy

Information Technology is defined as “technology involving the development, maintenance, and use of computer systems, software, and networks for the processing and distribution of data” (Information technology. (n.d.). Retrieved from [https://www.merriam-webster.com/dictionary/information technology](https://www.merriam-webster.com/dictionary/information%20technology)). Systems and software include, but are not limited to, e-mail, Google Apps (Mail, Drive, Docs, Sheets, Sites), social media, Android apps, and Apple apps. The main way to use Information Technology is through a device access to an Internet connection. The Internet is a vast, global network, linking people at universities, schools, businesses, and other sites. Through the Internet, one can communicate with people all over the world from prominent scientists to world leaders, to a friend at another school. However, with such great potential for education also comes a potential for abuse. It is the purpose of this policy to set guidelines so that all who use Information Technology do so in a manner appropriate to the educational philosophy of the Regis Catholic Schools system.

For a student to use any Information Technology at any Regis Catholic Schools school, they must agree to these guidelines.

- I. Educational Purpose - Use Information Technology only for school activities.

- a. Computing devices and the Internet connection have been established for a limited educational purpose, which includes classroom activities, career development, and limited high-quality self-discovery activities.
- b. Regis Catholic Schools has the responsibility to place reasonable restrictions on the material you access or post through the system. These restrictions are in the form of technology filters and classroom supervision.
- c. The technology will be used as a resource for school-related activities. Technology will not be used to disrupt the learning environment.

II. Personal Responsibility - What you do using Information Technology may not be a secret.

- a. Routine maintenance, monitoring of the network, or device updates may lead to an individual search of data, or if there is reasonable suspicion that you have violated this policy or the law.
- b. Users should keep in mind that when they use a computing device or the Internet, they are entering a global community, and any actions taken by them will reflect upon the school, and therefore all users will behave in an ethical and legal manner.
- c. Whenever you use a computer network:
- d. You leave electronic footprints, so the odds of getting caught doing something illegal or immoral are at least as good as they are in the real world. Your use of the Internet can be a mirror that will show you what kind of a person you are.
- e. There is always one person who will know whether what you have done is right or wrong and that person is you.

III. Responsible Use

- a. Personal Safety Issues - Do not give out personal information about yourself or others.
- b. Users will not post personal contact information that reveals your location such as an address or telephone number. Students will not reveal another's name, address, or telephone number, nor will they transmit or use pictures of others without their consent.
- c. Users will not agree to meet with someone you have met online without your parent's approval.
- d. Users will promptly tell your teacher or an administrator about any message you receive that is inappropriate or makes you feel uncomfortable.
- e. If you accidentally see something inappropriate, immediately tell your teacher or principal.
- f. The Regis Catholic Schools system fully expects that you will follow your parent's instructions as to material that they think would be inappropriate for you to access.
- g. Netiquette - How you should behave on the Internet or on any technological device.
- h. Users will be polite and use appropriate language in any digital communication as determined by the principal or school administration.

- i. Hate mail, harassment, discriminatory remarks, obscene or profane material, bullying, and other antisocial behaviors are unacceptable either at school or at home.
 - j. Users will represent the school community positively in all online activities. What is posted on social media or sent to someone through apps should not reflect negatively on other students, teachers, or the school system.
 - k. System Security - Do not go where you are not supposed to go.
 - l. Users will not attempt to gain unauthorized access to any other computer system through the Internet connection or go beyond your authorized access. Do not go looking for security problems, because this may be considered an illegal attempt to gain access. Immediately notify a teacher or principal if you notice a possible security problem.
 - m. Users will not make deliberate attempts to disrupt the computer system or destroy data.
 - n. Users will not attempt to bypass the security restrictions that are in place to protect network integrity, including any Internet filtering mechanism.
 - o. Respecting Resource Limits - Share the technology with others.
 - p. School devices and the Internet connection may be limited in availability. Please respect those limits and allow others access as needed.
 - q. Plagiarism and Copyright Infringement - Do not copy without giving proper credit.
 - r. All information accessible via the Internet should be assumed to be private property and subject to copyright protection. Internet sources should be credited appropriately, as with the use of any copyrighted material.
- IV. Users will not participate in the transferring or storing of illegal materials through use of the network because, in some cases, the transfer or storing of such materials may result in legal action being taken.
- V. Penalties for Violation of the Information Technology Acceptable Use Policy

Possible violations of this Information Technology Acceptable Use Policy will be investigated by the building principal, guidance counselor, dean of students, classroom teacher, technology coordinator, or system administrator as needed. If a violation is found, the building principal or system administrator will determine any penalties in accordance with this handbook and any prior violations of this, or any other, policy. Regis Catholic Schools will cooperate fully with law enforcement officials in any investigation related to any illegal activities conducted through any Regis Catholic Schools Internet connection.

Lesson Planning and Lesson Plans for Substitutes

Daily lesson plans are necessary for good teaching. All teachers are expected to make written units and prepare daily lesson plans. Lesson plans are expected to be always planned 3-5 days ahead. Lesson plan books are to be available for inspection by the building administrator upon request.

All teachers in their first year of teaching in the RCS system are required to submit daily lesson plans each Monday morning. After their first year of teaching in the RCS system, teachers may be required by the building administrator to submit lesson plans at his/her discretion.

Elementary teachers are to have a daily schedule of class periods on file in the office two (2) weeks after school begins.

All teachers are required to submit any lesson to the building administrator which would be objectionable or controversial to the teaching of the Catholic faith, or to any group or individual, prior to the material being taught.

Each teacher is required to have a sub file containing the following items:

- class list or seating chart
- daily schedule including any extra duties
- classroom or study hall rules
- school handbook
- who to contact in case of problems
- emergency plans including the crisis plan.

Elementary teacher sub files should also contain the following items:

- lesson plans
- daily work to be handed out or copies of tests or quizzes to be given
- review sheets or learning papers, in case of sudden illness

Regis Middle/High School teachers should assume their students will go to the Virtual Learning Room in their absence so they are required to have electronic lessons available that will keep students busy the entire class period.

Library Material Selection Policy

The RCS system is legally responsible for the materials located in the school libraries. The RCS system delegates the responsibility for the selection of library materials to the librarians employed by RCS in each individual school.

Lunch

Hot lunches are served in each school cafeteria daily. RCS allows staff to have hot lunch and they are charged at the rate for an adult meal. If you are considering eating hot lunch, you will need to contact your building Administrative Assistant to set up a lunch account. It is the employee's responsibility to keep the account balance in check.

Staff may be asked to supervise students on a rotating basis. During lunch period, students should eat in the cafeteria. Regis High School students may also eat in the Rambler Room. No food or drink is to

be allowed in the hallways during lunch period. No student is allowed to have fast food delivered to them during lunch period. Faculty supervisors are to remind students to clean up after they are done.

Meetings

All teachers are required to be present at faculty meetings, in-service days, and workshop days.

Excused absences on in-service days or workshop days will have the absence deducted from annual leave balances as any other school day absence.

Un-excused absences on in-service days or workshop days will have one day of pay docked.

Parent + Student Handbook

Faculty and staff should become familiar with the RCS Parent + Student Handbook. Detailed policies and procedures are provided in this handbook.

RCS Directory and Email

At the start of each academic year, a directory of RCS pastors, committee members, administrative personnel, faculty, and staff is prepared. A copy of the directory is available for each faculty/staff.

Each faculty member is issued an email account and space on the RCS server. Email is the property of RCS. The naming structure for faculty email is generally the first letter of the first name of the faculty member followed by the complete last name with no spaces between. The account for a faculty member named John Smith would be jsmith@RegisCatholicSchools.com.

Referral for Students with Special Needs

Classroom teachers who are concerned about a student's academic or classroom problems should discuss the problems with their building administrator. An ISP should be developed as a first step, which specifies adjustments the teacher will make to meet the student's needs. If necessary, the student will be referred for diagnosis and testing through the public school system.

Teachers of students with special needs are expected to communicate and participate in ISP/IEP conferences with parents and special education teachers from the public school district. Teachers will also be required to complete and follow a Diocesan ISP plan for students who have a public-school IEP and continue attendance at Regis Catholic Schools.

Retention/Acceleration

Retention:

Reports of student academic progress must be communicated to parents/guardians on a frequent and regular basis prior to winter conferences if retention seems likely. As the homeroom teacher, you are expected to provide the following data points to your principal prior to entering a retention conversation with parents.

1. Benchmark testing results from fall showing at least a two-year gap in academic achievement and current grade level benchmarks.

2. Classroom interventions are already being offered to the student. Progress monitoring data demonstrates the effectiveness of the interventions should also be provided.
3. Samples of classroom work demonstrating grade level objectives.
4. Any conference records or other communication with parents regarding academic progress.

Discussion with your principal will determine next steps (ISP referral, conference with parents, etc.)

Social maturity is not a consideration in retention conversations. However, other factors, such as attendance, may be considered.

Acceleration:

Acceleration for entire grade is strongly discouraged and will be discussed on an individual basis with the leadership team and Dean.

Speakers, Outside Programs, AV Materials, and Literature

All outside speakers, programs, AV materials, and literature used in the school are to have the prior approval of the school administrator. Care should be taken to see that movies, videos, and literature are appropriate for the grade level and age of the student, relate or be tied to curriculum, and the values of Catholic schools.

The USCC movie rating guide is to be followed for all movies and videos shown in schools or viewed by students in another location or those recommended by school personnel. If the rating of a movie or video cannot be found, the Diocesan Office of Catholic Schools should be called to find out the rating. For purposes of classification, an adult is anyone 18 years and older.

If the movie rating by the USCCB is AII, which is not deemed appropriate for elementary schools, then it is understood that literature based on these movies would also not be appropriate for elementary schools.

Speaker Policy for the Diocese of La Crosse

RATIONALE:

Canon 386 §2 requires the Diocesan Bishop to defend the integrity and unity of the faith.

Speaker approval avoids difficult situations of having to dis-invite someone.

BASIC IDEA:

Speakers who are being considered to give a presentation on faith and morals on Church property must be approved by the Diocesan Bishop before an invitation is extended.

Catholic parishes and schools cannot promote or sponsor a speaker unless he or she is approved (even if the presentation is not being given on church property).

TO WHICH SPEAKERS THE POLICY APPLIES:

Any speaker under consideration to give a presentation on matters of faith and morals who does not fall in the exempt category below.

SPEAKERS WHO DO NOT NEED APPROVAL (i.e. those who are exempt) INCLUDE:

- Cardinals and Bishops in communion with the Holy See

- Those who hold appointed or staff positions in the Diocese of La Crosse:
 - Priests/Deacons of the Diocese of La Crosse who are in good standing
 - Staff of Diocesan Institutions (whether paid or volunteer) including:
 - Pastoral Associates/Pastoral Ministers
 - Campus Ministers
 - Parish Staff
 - Catechists
 - School Teachers/Administrators
- Members of other Catholic institutions officially in the Diocese of La Crosse, including:
 - Members of Religious communities, Catholic colleges/universities, hospitals, etc., officially established in the Diocese or officially allowed to be in the Diocese.

PROCEDURE

Before a firm invitation is extended to the speaker (preliminary contacts, checking availability, etc., are OK), a request must be submitted to the Office of the Bishop from the inviting party.

We will have to include:

1. A completed **Cover Letter Request** form from the inviting party, which includes the speaker's name and topic(s). It should attest to the speaker's fidelity to the Magisterium, and the conformity of the topic to the pastoral direction of the Diocese.
2. A **curriculum vitae** for the speaker.
3. In the case of a lay person:
 - a. A **letter of support** from the speaker's pastor establishing that he is a Catholic in good standing.
4. A cleric must also have a **celebret**, indicating he has permission to celebrate the sacraments outside of his diocese.
5. College or university professors should provide a **mandatum** from their bishop if they have one. If not, please indicate that they do not have one.
6. If the speaker is not a Catholic, the curriculum vitae should be accompanied by **written assurance** that the speaker's presentation will not conflict with the Catholic teaching in any way.

EFFECTIVE DATE: July 26, 2005

Student Records

Attendance: The school administrator is required to keep full and accurate records of each child's attendance.

Therefore, it is necessary for all staff to accurately record each child's attendance in the classroom. A yearly total of days absent and times tardy will be necessary for the permanent records of each student. Students that arrive after classes have started will be marked tardy. All excuses for absence, notes for medical appointment, etc. must be given to the office. Attendance records are to be made available, upon request, to the public-school attendance officer(s).

Academic Progress: The school administrator is required to keep full and accurate records of each child's academic progress. All teachers are therefore responsible for correcting papers, scoring tests, and keeping accurate grade books in a timely manner. Objective evidence of a student's progress must be available. A copy of each report card must be kept in the permanent records of each student. Report cards are sent out approximately every 9 weeks. The school copy is to be kept on file in the office.

Student Files: Teachers are required and responsible to maintain permanent records on all students in the office files. These records are to include, but are not limited to:

1. A copy of the final report card for each grade
2. Sacramental information on second grade students
3. Standardized test scores
4. Retention or acceleration information
5. Behavioral records including a record of all disciplinary actions
6. Medical records
7. Attendance records, including class attendance and tardies
8. Testing conclusions on special needs students
9. Other information the RCS staff member or building administrator feels needs to be part of the permanent records
10. Senior diplomas at the high school level

The grade book or electronic printout should show grades for daily homework, tests, and quarterly and semester grades. The confidentiality of students' permanent records will be maintained. They are not to be removed from the school office without permission. These records may never be left in the classroom overnight or taken home.

Student Supervision

Teachers are to always supervise their students unless it is an emergency. If you must leave students unattended, you are to give specific instructions to the class on what they are to do during the time you must be absent. This time should be very limited in most cases. If it must be an extended period, you should contact the office to get someone to take over the supervisory role. Students are not to be in the building during recess time or after school unless a teacher, advisor, or coach supervises them.

Parents have been requested to keep their child at home if he/she is too ill to play outside. Students who are ill should be sent to the office. A sick child is not to be left alone in the office. No child is ever sent home from school during the day without the permission of the building administrator or in her

or his absence the teacher in charge. A parent or guardian must be notified and give permission for a child to go home. If a child is ill, a parent will be called to pick up the child.

Teachers not contracted for supervisory roles outside the classroom may be asked to do so in special instances.

Teacher-In-Charge

All schools are to have a teacher-in-charge who is to function within the assigned job description in the absence of the building administrator. The teacher-in-charge is to make required emergency and immediate decisions in the administration and operation of the school when the building administrator can't be reached. If possible, the teacher-in-charge should consult with the President, Assistant to the Principal, or personnel at the Diocesan Office of Catholic Schools for these decisions.

Technology Devices

Staff members are assigned iPads, laptops, and Chromebooks at various buildings. An assigned number is on each device and kept by the IT person's inventory. If a device is broken or lost, the staff member must report it to the building administrator and IT person immediately. If the device is not insured, the staff member will be assessed the cost of the repair or loss.

Transportation of Students to and From Extra-Curricular Activities

- In the transportation of students, as in other matters, the rights or obligations of a school are secondary to the rights of a parent.
- There is less liability for the school when a parent transports his/her own child.
- If a parent makes either a verbal or written request to take his/her own child to or from an athletic or extra-curricular activity, that request is not to be denied unless one or more of the following conditions exist:
 - The parent is judged to be impaired in some fashion, such as being intoxicated or in such an emotional rage or state that driving would be impaired.
 - The parent is abusive and appears about to abuse the child.
 - There is a sound athletic reason (such as reviewing and planning the game) or a reason intrinsically related to the trip for the student to ride with the rest of the students.
- These statements refer to a parent transporting her or his own child only.
- When volunteers drive students, there needs to be a reasonable assurance of the driving record and ability of the volunteers. (Parents, of course, need to be notified when a volunteer is driving. In this case, it is also advisable to have a signed permission slip.)
- Employees may not transport students to or from an athletic, extra-curricular or school sponsored activity in their own personal vehicle.

Visitors

Visitors must obtain permission prior to entering the school and then must sign in at the school office. Any visiting student should have a permission slip from the office.

Withdrawal/Transfer of Students

Our goal is to work positively with all students and their parents and to encourage families to make Catholic education a K-12 commitment. When a family intends to withdraw their child(ren), they will contact the building administrator, Enrollment & Tuition Coordinator, or President. The parent/guardian will complete a withdrawal form.

If you become aware of a family intending to withdraw their child(ren), please be sure to contact your building principal as soon as possible. Building principals will then contact the President and Enrollment & Tuition Coordinator.

EMERGENCY PROCEDURES AND SAFETY STANDARDS

Each situation is different, and procedures will vary depending on the circumstances. Staff will be provided with detailed crisis response information. The best advice is to remain calm. In case of injury, you should stay with the person, if possible, and use common sense. In case of body fluids, use the guidelines for handling such substances.

Accidents and Injuries

Accidents and injuries must be reported to the building administrator immediately. The teacher who was supervising at the time of the accident must fill out an Accident Report immediately. Accident report forms are available in the office. The Accident Report is inserted into the Medication/Accident Logbook, which is kept in the office.

1. Get the person to remain calm and lie or sit where he/she is and stay with the person.
2. Have someone go to the office to obtain help and notify the office as to what has happened.
3. If an emergency squad is summoned, be able to answer any questions when they arrive.
4. Fill out a detailed description of the event and submit it to the school office.

Asbestos

Each school has an asbestos management plan on file in the school office. This document is available for everyone to read but cannot be removed from the school office. Each building has a designated person who is responsible for overseeing the conditions in the management plan and an operations and maintenance person to oversee asbestos containment or removal. Teachers will not engage in any activity that might result in a disturbance of asbestos containing material. A teacher who suspects asbestos containment has been violated must contact the designated person immediately.

Blood Borne Pathogens (State Regulation)

A federal law passed in December 1991 requires states to adopt standards to help protect public employees and personnel from occupational exposure to blood or other potentially infectious materials.

The Wisconsin Department of Industry, Labor and Human Relations is responsible for enforcement in public institutions. The Occupational Safety and Health Administration (OSHA) controls enforcement in nonpublic institutions, including schools.

The OSHA standard requires employers to follow specified procedures relating to occupational exposure to blood or other infectious materials.

Among other things, the standard requires employers to establish a written exposure control plan and procedures for compliance, including work practice controls, personal protective equipment, and cleaning procedures.

The RCS system is in compliance with OSHA Blood Borne Pathogen Standard 29 CFR 1910.1030 and each school has a written Blood borne Pathogen Exposure Plan. The Plan is in each school office.

When Contract or Non-Contract Employees, non-paid personnel or children incur a significant exposure incident as defined as 1910.1030 Section B of the Code of Federal Regulations (reasonably anticipated skin, eye, mucous membrane contact with blood or other potentially infectious materials or piercing mucous membranes or skin through such events as needle sticks, human bites, cuts, and abrasions), the persons involved will complete an exposure incident evaluation found in the Forms section of this handbook.

Documentation of the route of exposure and circumstances related to the incident.

- Identification of the source individual.
- Counseling in assorted options available to the employee, child and parents, or non-paid personnel.
- Person to contact for information and questions. If employee refused, but is exposed, there is the option to receive shots within 24 hours of exposure.

Bomb Threats

If a bomb threat is received, the school will immediately be evacuated. The police department is then to be notified and its directives followed. The Diocesan Director of the Office for Catholic Schools is to be notified as soon as possible by the building administrator only (or in the absence of the building administrator, the teacher/administrator in charge.) The building is to be reoccupied only after reasonable assurance that the bomb threat was false, or the bomb was located and removed.

Child Abuse and Neglect Laws

In 1978, the State of Wisconsin enacted a Child Abuse and Neglect Reporting Law. The main purpose of this law is the protection of the health and welfare of children. It mandates the reporting of

suspected child abuse and neglect. This law as amended in 1983 clarified the definition of child abuse to include sexual abuse and emotional abuse. It also expanded the list of mandated reporters and increased the fine for failure to report to \$1,000.00 (There is also a possible jail sentence.)

The Child Abuse and Neglect Act (Section 48.981 of the Children's Code of the Wisconsin Statutes) specifies that all school personnel and administrators are mandated reporters. These school personnel include but are not limited to: schoolteachers, administrators, counselors, childcare workers in a day institution or child care institutions, day care providers, alcohol or drug abuse counselors, speech therapists. Any other person having reason to suspect that a child has been abused or neglected or reason to believe that a child has been threatened with an injury and that abuse will occur may report.

Based on these legal requirements as well as moral commitments, the Diocesan Office of Catholic Schools is to provide direction and assistance to school staff members in reporting suspected child abuse and/or child neglect.

Under the law, any person or institution participating in good faith in the making of a report has immunity from any liability, civil or criminal, that results by reason of their actions. For any proceeding, civil or criminal, the good faith of any person reporting is presumed.

All school administrators are to in-service their staff and all new employees regarding this law.

Reporting Child Abuse and Neglect

Any school personnel having reasonable cause to suspect that a child has been abused and/or neglected or has been threatened with an injury and that the abuse of the child may occur shall use the following procedure:

1. Employees should report the suspicion immediately to the school administrator who is to immediately notify the Diocesan Director of the Office of Catholic Schools.
2. After consultation and review with the Diocesan Director of the Office of Catholic Schools, the administrator shall immediately contact the County Department of Social Services or the police department if the County Department of Social Services is not available. This phone number is to be readily available in the school office.
3. If the child is in immediate danger and the administrator and/or Diocesan Director of the Office of Catholic Schools is not available, report should be made directly to the County Department of Social Services or police department and the administrator and/or Diocesan Director of the Office of Schools should be notified as soon as possible.
4. It is then up to the County Department of Social Services or police department to follow up on the report.
5. However, a higher authority cannot direct employees to refrain from reporting a case if the employee still reasonably believes there is a case of abuse and/or neglect, nor can the person be reprimanded for making a report.
6. Any such reports are considered strictly confidential.

Fire Drills/Tornado or Severe Weather Drills

Fire and tornado drills are held regularly during the year. Rules to follow for tornado drills are posted in each classroom. The following rules must be strictly adhered to for all fire drills:

- When the fire alarm is sounded, all students will immediately WALK out of the room and
- follow the route indicated on the wall by the classroom door.
- Strict silence is to be observed leaving and entering the building. The teacher leaves the classroom last and closes the classroom door. The teacher takes a class list so he/she can account for each child.
- Teachers are to take their record book with them and meet with the class at a designated spot outside and check the class list.
- Students are then to go to an area away from the building and out of the path of any emergency vehicles which may have to get near the building.
- Students and teachers are to remain outside the building until the all-clear signal is given.

Hazardous Spills

Spills of toxic and hazardous materials represent an emergency. Spills can be a danger to life and health, as well as to the environment. Spills can result in the release of toxic vapors and fumes. Fire can occur. In the event of a hazardous spill:

1. Evacuate the area.
2. Make no attempt to clean up the substance.
3. Notify the custodian.
4. Notify the building administrator or, in his or her absence, the teacher in charge.
5. Dial 911 and report the emergency.

Infectious Disease Prevention

In school or other educational settings, knowing who carries an infectious disease and what germ may be present is not possible. Persons with infections do not always have outward signs and often are not aware of being infected. However, you can take precautions at school and in other situations that will help protect you from infectious diseases. Those precautions include the following:

1. Wash your hands with soap and running water at regular times during your workday. Common infectious diseases may be contracted from dirt and waste encountered in the workplace (excluding human immune deficiency virus (HIV) infection, acquired immune deficiency disorder syndrome (AIDS and hepatitis B).
2. Avoid punctures with objects that may contain blood from others.
3. Handle discharges from another person's body (particularly body fluids containing blood) with gloves and wash hands thoroughly with soap and running water when you are finished.

4. Carefully dispose of trash that contains body waste and sharp objects. Use special containers with plastic liners for disposal of refuse that contains blood or for any spills that may contain blood. For disposal of sharp objects, use containers that cannot be broken or penetrated. Do not bend, break, or recap needles.
5. Promptly remove another person's blood and body wastes from your skin by washing it with soap and running water.
6. Clean surfaces that have blood or body wastes containing blood on them with the Environmental Protection Agency (EPA) approved disinfectant or a 1:10 solution of household bleach and water. (The solution should be fresh daily to ensure proper strength.)
7. Have a vaccination for protection from hepatitis B if you are in contact with developmentally delayed students. The cost of having a vaccination series may be covered by your employee Health Insurance benefits.
8. If you are responsible for administering first-aid to others or may be placed in a position where you may give first aid, obtain current instruction in first aid and cardiopulmonary resuscitation (CPR). Current instructions will include modification of first aid needed to protect the rescuer from infection.

These precautions will protect you from HIV infection, Hepatitis B, and many other infectious diseases. These ordinary hygienic practices will result in fewer illnesses for you and others around you. You do not need to know which people around are infected with HIV or any other diseases because you use precautions routinely.

Law Enforcement Authorities on School Grounds

The Office of Catholic Schools is always to be called and consulted before law enforcement authorities are allowed to speak to any staff or students for interrogation purposes.

School Closings

Expectations for Staff:

- The RCS Communications Director and/or administrators are expected to handle necessary communication and respond to any emergency at their school.
- Teachers are not required to report for work when school is closed due to inclement weather.
- School-Year Employees (secretaries, cooks, and aides) are not required to report to work when schools are closed due to inclement weather. However, if they feel it is safe to commute to work, they may elect to come into work with the supervisor's approval and will be paid for any hours worked.
- Year-Round Employees (custodians and maintenance, central office staff) are asked to use their own discretion in determining if it is safe for them to travel to and from work. If they

- decide they are not coming in to work, they are to contact their supervisor to alert the supervisor of their decision.
- When schools start late, all staff will be expected to report at the regular time or as soon as roads are passable.
- **When a school is closed for reasons other than inclement weather**, a staff member who works in multiple buildings will be expected to report for work if at least one of the schools where they are assigned for a given day is open, even if other RCS schools are closed.
- **When a school is closed for reasons other than inclement weather, staff members generally will not be required to report for work if the school he/she serves that day is closed.**

CODE OF ETHICS FOR THE CATHOLIC SCHOOL

Preamble

“GO, TEACH!” Christ charged His first disciples. Since the beginning of Christianity, education has been one of the most important missions of the Church. Its success depends upon the professional competence, quality, and above all, the commitment of the teacher to Christ.

This Code of Ethics for the Catholic School Teacher is a concise description of the person who is growing in faith, hope, and love of Christ. It specifies the attitude and the practice of the Catholic school teacher in relation to the student, the parent, the community and to the profession. This code offers a guide by which to live, a goal toward which to strive, and a promise of lasting success.

*Preamble by Rev. John F. Meyers, Past President, NCEA

Principle I: Commitment to the Student

As Catholic school educators, we believe that students, like ourselves, are pilgrim people, making their journey through this life with a constant focus on the next. As Christian Catholic educators, we have

a special responsibility to encourage each student to achieve his/her maximum potential. We work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfilling our obligation to the student, we are called to:

1. Help students see the relevance of a Christian value system in their daily lives.
2. Help students learn to relate human culture and knowledge to the news of salvation.
3. Show Christian concern about the joys and problems of each student.
4. Speak with charity and justice about students even when called upon to discuss sensitive matters.
5. Work with students in preparing liturgies, para-liturgies, and other religious programs.
6. Respect confidential information concerning students and their homes.

7. Plan appropriate service projects for students that will develop their sense of responsibility to the community.
8. Enable students to grow in a sense of self-worth and accountability by selecting activities that promote the positive self-concept as becomes a maturing Christian.
9. Develop the students' knowledge and understanding of the subject(s) for which we are responsible, without suppression or distortion.
10. Refuse remuneration for tutoring students assigned to our classes and reject any other use of our students for personal financial gain.

Principle II: Commitment to Parents

As Catholic school educators we believe children are influenced by home, community, and a society in which attitudes toward Christian values are often challenged. Parents, the source from whom children and youth derives their values, entrust their children to the Catholic school to instruct, complement and intensify the education and formation of their child; therefore, we will:

1. Respect parents' fundamental human right to know, to understand and to share in decisions that affect the education of their child by:
 - Assuring parents of a commitment to ongoing education as a professional educator and informing them, upon request, of educational qualifications.
 - Keeping parents apprised of the curriculum and method of instruction.
 - Providing opportunities for parents to help shape classroom and school policies and keeping them well informed regarding current policies.
2. Develop educational programs and activities to enhance family life as well as the home-school relationship.
3. Respect any confidential information which parents share.
4. Be careful what information you share with parents, (they are our clients).
5. Report to parents their child's progress regularly and as needed, in a spirit of charity, with professional accuracy and honesty.

Principle III: Commitment to the Community

As Catholic school educators, we believe the school community is both an agent of appropriate change and a preserver of basic tradition. We consider the school community an integral part of the parish whose people it serves, and a vital force for preparing future civic and Church leaders. In fulfilling our obligation to our apostolic profession, we are called to:

1. Promote the peace of Christ in the world by:
 - Modeling peaceful solutions to community conflicts.
 - Encouraging a spirit of cooperation and avoiding the extremes in competition.

- Developing skills that will enable students to interact with society for a better world.
2. Cooperate wholeheartedly in the continued building of parish life and spirit by:
 - Emphasizing the integral nature of the Catholic school within the parish and community.
 - Assisting communication concerning parish resources, needs, and events.

Principle IV: Commitment to the Profession

As Catholic school educators we believe that professional excellence in Catholic schools directly influences our Church, country, and world. We strive to create a Christian environment, which promotes sound moral and professional judgment. Through our spirit of joy and enthusiasm, we encourage others to join us in our apostolate of teaching in a Catholic school.

In fulfilling our responsibilities as professional educators we are called to:

1. Maintain professional standards by:
 - Presenting yourself with a positive attitude and a professional physical appearance.
 - Preserving the reputations of colleagues, administrators, and students.
 - Safeguarding the exchange of confidential information.
 - Refusing to use the classroom to further personal ends through the sale of any goods, products, or publications.
 - Refraining from using the school as a platform for one's own beliefs, which are not in accord with the school philosophy or Church teachings.
 - Overseeing the duties of non-professionals, making sure they assume only those responsibilities appropriate to their role.

- Assisting in the orientation of educators new to a position and/or school.
 - Considering the obligations of the teaching contract as binding in a most serious manner, conscientiously fulfilling the contract.
 - Terminating contracts only because of serious reasons, with the consent of both parties, and after sufficient notice.
 - Upholding the authority of the school when communicating with parents, students, and civic community.
 - Presenting honest, accurate professional qualifications of self and colleagues when required for professional reasons.
2. Seek and encourage persons who live a life consonant with Gospel values and Catholic Church teachings to pursue the apostolate of teaching by:
- Modeling the faith life and witnessing the Faith Community on the parish, diocesan, national and world levels.
 - Exemplifying the teachings of Jesus Christ by dealing with children and adults in true life and justice.
 - Exhibiting knowledge of the Church documents, especially “To Teach as Jesus Did,” “Sharing the Light of Faith”, and “The Catholic School”.

“Original Code of Ethics” developed by the Department of Elementary Schools, NCEA, through the efforts of Chairperson Ms. Ann Pizelo; Sr. Mary Thea O’Meara, B.V.M.; Mrs. Mary Piotrowski; and Sr. Mary Peter Traviss, O.P.; updated by Regis leadership.

Sick Time

Full Time Employees are given 72 hours of Sick Time per year. For Part Time Employees, Sick Time will be pro-rated based on your FTE Status. Sick Time hours are allocated each year on July 1. For your first partial year worked, Sick Time will be prorated.

Effective July 1, 2009, Sick Time will accumulate to a maximum of 480 hours. For those employees who have accumulated more than 480 hours of Sick Time, they won't lose what they have accumulated; they just won't accumulate any additional Sick Time until they fall below the 480 hour maximum limit.

Sick Time may be used for:

- Unforeseen illness or unplanned medical treatment of self, spouse, dependent child(ren), parents, legal in-laws, or family members for whom you are the primary caregiver.
- Sick Time may be used for planned medical treatment depending on circumstances.
- Sick Time may **NOT** be used for the anticipation of becoming ill.
- Sick Time may **NOT** be substituted for additional Personal Time.
- Sick Time may **NOT** be used for days off that are not related to illness or medical appointments.
- Sick Time will not be counted as time worked for overtime.

Employees must present written authorization from a certified or licensed medical practitioner to remain off of work beginning on the 3rd absence of related illness (i.e. migraines, mental health, etc.).

An employee returning from an extended illness related absence (more than 2 consecutive days) may be required to provide certified or licensed medical practitioners approval a physical examination or doctor's approval prior to returning to work.

After an employee has used all accumulated Sick Time, the employee may continue to take additional leave, however, any additional leave taken will be unpaid. If, for some reason, the employee uses all available Sick Time and is unable to complete service for that fiscal year or school year, the unearned Sick Time will be deducted from the last paycheck of the employee.

For additional information please see Family and Medical Leave section.

Employees who terminate employment with Regis Catholic Schools after at least 5 years of service, assuming they leave in good standing and give proper notice, will be paid for unused Sick Time (up to a maximum of 480 hours) based on the following:

Contract Employees (\$6.25 per hour)	50% of your remaining Sick Time (up to 240 hours)	100% of your remaining Sick Time (up to 480 hours)

Sick Time Donation Program

Regis Catholic Schools recognizes that employees may have a medical emergency or catastrophic illness to themselves or an immediate family member resulting in a need for additional time off in excess of their available Sick Time. To address this need, eligible employees will be allowed to donate paid Sick Time from their unused balance to their co-workers in need of additional Sick Time, in accordance with the policy outlined below. This policy is strictly voluntary.

Medical Emergency / Catastrophic Illness is defined as any illness or injury that results in a medical condition that a licensed physician has certified is likely to require the employee to miss fifteen (15) or more days of work during the following 12-month period.

Immediate Family Member is defined as a spouse, child, or parent.

Eligibility: Employees must be employed with Regis Catholic Schools for a minimum of one year and be eligible for Sick Time to be eligible to donate and/or receive donated Sick Time.

Exclusions: Specifically excluded from this policy are cosmetic or other elective surgeries and normal pregnancies. Application for donated Sick Time may be made in the event of a pregnancy or delivery involving unusual complications that a doctor certifies requires a period of absence in excess of that of a normal pregnancy or delivery.

Requesting Donated Sick/Personal Time

- Employees who would like to request donated Sick Time are required to complete a Donation of Sick Time Request Form along with a physician's statement and submit it to Human Resources.
- Requests for donations of Sick Time must be approved by Human Resources, the employee's immediate supervisor, and the RCS President.
- The recipient employee's paid leave time must be used in full prior to using donated Sick Time. Donated Sick Time may only be used for time off related to the approved request.
- Employees who receive donated Sick Time generally can expect to receive up to 120 hours, not to exceed 75% of donated leave bank, within a rolling 12-month period.
- In the event the employee is incapacitated to the extent they are incapable of personally requesting donated sick time, such request may be made on their behalf by the nearest relative or any group of three (3) employees acting on behalf of the incapacitated employee.
- Nothing in this policy will be construed to limit or extend the maximum allowable absence under the Family and Medical Leave Act.

Donation of Sick Time

- The donation of Sick Time is strictly voluntary and is irrevocable.
- Donated Sick Time will go into a leave bank for use by eligible recipients.
