**Learning Today,
Leading Tomorrow**

MESSAGE FROM THE PRESIDENT

Dear Family and Friends of the Regis Catholic School System:

As our team works to launch our Annual Regis Fund Appeal, we take the time to reflect on how we are blessed by so many people that assist our community in fostering the legacy that was started by St. Patrick's Parish in the late 1880's. The vision and sacrifice of all of the parishioners throughout the decades has helped foster a high quality of instruction that our students receive today, along with promoting our values, and graduating productive members of society.

I can give you the glowing statistics of how our students compare to their peers from the Chippewa Valley, Wisconsin, and the nation. The data is impressive, but we are more than just numbers on a report. Naturally we do more than just educate, we promote a higher moral living and perform community service by using the life of Jesus as an example. That being said, we do need your support as we look to continue our mission of a quality, faith based education for the students of Regis Catholic Schools.

Our campaign was successful last year, raising nearly \$300,000.00 through the Annual Regis Fund and the Tuition Partnership Program. With these funds a number of improvements were made to our Child Development Centers, the three elementary schools, and of course the Regis campus. With the recent advances in technology our elementary schools needed to install wireless capability which was completed. Chromebooks are now in the hands of each of our middle schools students this school year. We have also updated the infrastructure of our buildings, from lockers at St. Mary's, to an intercom system at St. James, and new look to our gymnasium and girl's locker room at Regis. We currently have many more projects to update our buildings, invest in modern instructional resources, and most importantly enhance the salaries of our RCS teachers.

Finally, I would like to thank you for the continued support. We have many generous patrons who keep us in mind with donations, volunteering time, and keeping us in their prayers. All of us here at Regis Catholic Schools consider you partners in sharing our mission that maintaining a strong Catholic tradition is positive for our community.

In His Service;

Mark Gobler '73

WALK FOR VIRTUES

Regis Catholic Elementary Schools celebrated their annual Walk for Virtues on May 16 at the Indoor Sports Center. During the year, the elementary schools studied the virtues and culminated the instruction by soliciting pledges to walk three miles around the soccer fields on Hamilton Avenue outside of the Sport Center. After the walk, the students gathered for lunch, then played organized sports which built school community. The money generated from this annual fundraiser was used for items not budgeted in our elementary schools. Students, staff, parents, young siblings, and grandparents participated to enjoy the day celebrating our faith based education.

The money generated from this annual fundraiser was used for items not budgeted in our elementary schools such as hallway lockers, drinking fountains, art kiln, iPads, apps, reading materials, etc.

THANK YOU FOR YOUR SUPPORT!

2014-2015 ANNUAL REGIS FUND

JOHN AND JEAN (RODEL) FISHER both graduated from Regis High School, John in 1973 and Jean in 1974. Jean was on the organizational committee for the Class of 1974's, 40th Class Reunion this past summer. John and Jean married in 1974 and remained in the Eau Claire area. John works as an insurance agent with the John Fisher Insurance Agency in Eau Claire. Jean worked for 25 years with LOGICARE Corporation and is now working on a start-up business.

This year John and Jean Fisher are the co-chairs of the annual Regis Fund. The Regis Fund is the annual giving program for our students to help with curriculum needs, materials, and programs for our students that we are unable to fund through other revenue sources.

John and Jean agreed to be the co-chairs this year which was no surprise because of their long history with Regis and the Catholic schools of Eau Claire which they attended. Both of John's parents Jerry '48 and Beth '51 (Scheffler) Fisher also graduated from Regis (St. Patrick's). All of John's siblings also graduated from Regis, Janet (Erickson) '70, Greg '72, Jerry '75, Mark '78, and Tim '81. The same holds true for Jean, both her sisters Diana '68 and Brenda '76 and her brother Tom '70 all graduated from Regis as well. "We are very honored to be co-chairs and very proud of our families allegiance to Catholic education and Regis High School."

John and Jean are members of Sacred Heart/St. Patrick's Parish and both of their adult children graduated from Regis High School, Andy '93 and Katie '96. Andy Fisher still holds the all-time Eau Claire city scoring record in basketball for most points scored with 1,786.

As alumni, both John and Jean realize that for Regis High School to continue to move forward

they need support from alumni like themselves and you and from friends who support Catholic education. "We ask for your support and want you to know that when you receive the annual Regis Fund letter asking for a gift to the Regis Catholic School Foundation, that you do your part to give back to a place that helped you get your start in life." What better way to say "thank you" then to give a gift to support the students of Regis High School today.

Thank you to those who have already contributed to the 2014-15 annual Regis Fund. If you have not made a gift yet, please consider doing so to support our current students at Regis. Enclosed in this newsletter is a Regis Fund Gift Form.

"We are very honored to be co-chairs and very proud of our families allegiance to Catholic education and Regis High School."

LEAVING A LEGACY

\$233,956.08

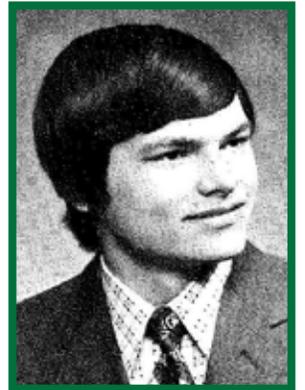

REGIS RECEIVES ESTATE GIFT FROM NEIL MCELROY '74

Regis Catholic Schools received an estate gift from Neil McElroy Class of 1974. Neil received his BS degree from the University of Wisconsin and his PhD from the University of Minnesota. Neil worked as a Radiologist, Pharmacologist and Anesthesiologist.

Neil established an endowed scholarship for a Regis High School student that is interested in pursuing a Regis High School Catholic education and has "scholastic potential". The annual scholarship is the John and Patricia McElroy and Neil McElroy Scholarship named after his parents. Neil credited Sister Maxine for his success at Regis and professionally.

The Estate Gift from Neil McElroy amounted to \$233,956.08 to Regis when he passed on January 19, 2013. Neil also named Sacred Heart/St. Patrick's Parish in his will as well.

Neil McElroy will be included in the new Regis Legacy Society that recognizes those generous donors whose legacy will live on through their planned gifts to the Regis Catholic Schools Foundation. Estate Gifts will help to ensure current and future generations a quality Regis Catholic Schools education. The "Regis Legacy Wall" is located in the Regis building and the names of the estate donors will be listed on a plaque on the wall.

WHAT WILL YOUR LEGACY BE?

REGIS LEGACY SOCIETY WALL

Be a Charter Member to the Regis Catholic Schools Foundation "Regis Legacy Wall" in the Regis building. This wall will have a plaque that will list all the past estate gifts made to Regis and all future estate gifts to Regis. The "Regis Legacy Wall" will be in appreciation of those generous donors whose legacy will live on through their planned gifts to the Regis Catholic Schools Foundation, which will help ensure current and future generations an excellent Regis High School education.

There are a number of ways to remember Regis through the Regis Catholic Schools Foundation in your estate plan. The Foundation is a 501(c)(3) organization that allows you to enjoy all the benefits afforded by the US Tax Code when making gifts to Regis.

The most common and simple way to include the RCS Foundation in your last wishes is to include a bequest in your will or trust. There is an unlimited estate tax deduction for amounts left to charity. Including the RCS Foundation in your estate plan may substantially decrease the taxes owed. To be a Charter Member of the Regis Legacy Society - go to the Regis Web Page - RCS Foundation and click on the Planned Giving Membership Form. Fill out the form which basically states your named the RCS Foundation in your will and return it to the Regis Catholic Schools Foundation, 2728 Mall Drive, Eau Claire, WI 54701. Please make your will or trust out to the Regis Catholic Schools Foundation. If you have any questions, contact Bill Uelmen the RCS Advancement Director at 715-830-2273 or buelmen@RegisCatholicSchools.com.

O gentlest heart of Jesus, ever present in the Blessed Sacrament, ever consumed with burning love for the poor captive souls, have mercy on the soul of thy departed servant. Be not severe in Thy judgement but let some drops of Thy Precious Blood fall upon the devouring flames, and do Thou O Merciful Saviour, send Thy Angels to conduct Thy departed servants to a place of refreshment, light and peace. Amen.

Merciful Jesus grant eternal rest.

Take good care of creation. St. Francis wanted that. People occasionally forgive, but nature never does. If we don't take care of the environment, there's no way of getting around it.
