Virtue of the Month **Courtesy**

Being thoughtful of others. When people practice common courtesy, it creates a sense of unity, cooperation, and shared values.

Be ye all of one mind, having compassion one of another, love as brethren, be pitiful, be courteous.

WELCOME

ST. JAMES

Elementary School

Please join us in welcoming our new
Guidance Counselor, Mrs. Hannah Miller!

Hi, nice to meet you!

My name is Hannah Miller and I am the new School Counselor at St. James Elementary School. I grew up in Cumberland, WI and graduated from Cumberland High School. I have a double major in counseling and criminal justice and a masters degree in school counseling. I have experience with students ranging from K-12th grade, and a long standing background in crisis work, teaching, and counseling. I live in Eau Claire with my Husband/High School sweetheart and our two ragdoll cats. In my free time you will likely find me snuggling my nephews and nieces, spending time on the lake, watching NFL football, or running our small business (Northwoods Grazing). I am extremely excited to be part of the Regis family. I have felt so welcomed and cannot wait to meet all of the wonderful students, staff, and families.
