

VIRTUE OF THE MONTH:

CHARITY

Enables one to love as God Himself loves, to love God above all things, and one's neighbor as oneself.

Some of the items that were donated to our teachers.

K-3rd participated in fire-safety with the Eau Claire Fire Department on Monday.

Saint James students got to participate in releasing butterflies with Senora Larabee during afternoon recess last week. What an amazing experience!

SICK CHILD POLICY

A sick child must stay home from school, regardless of the type of illness. Please call your school's office to keep the lines of communication open regarding the reason for your child's absence.

Giving a child medication to help reduce a fever or alleviate pain does not make them "ready for school". Medication merely masks the symptoms of the illness, it is not a cure and puts others at risk of contracting the disease. Sending your child to school where students are active throughout the day will slow their recovery; they are not getting the rest and hydration their body needs to fight off whatever illness they are carrying.

If your child becomes ill during the school day, you or an emergency contact will be called to pick them up. You are expected to be reachable and able to send an adult to pick up your child within 45 minutes of contact. Leaving your child in the office until the end of the school day is not an option. Again, when a child is ill, they need to be home resting. Please ensure your contact information and additional emergency contacts are updated through Skyward or the school office. If we are unable to reach you, additional contacts will be called/ emailed.
