Summertime Learning Backpacks and Workbooks:

As a part of our annual commitment to a coherent Math and Reading program, the Immaculate Conception teachers are continuing the summer learning program to help ensure success for the next school year. There are 2 purchasing options available this year, however, all orders will be placed online directly with the company by the parent. The school is not completing the ordering process this year.

I would encourage parents to reach out to your child's teacher for a recommendation of what grade level workbook to order. Learners who are working on meeting learning goals may be recommended to get their current grade level and/or their next grade level up. Advanced students may be recommended to get higher level workbooks to continue their progress.

If you are interested in the workbook and the backpack, click this [link](#).

If you are interested in just the workbooks, you can find your grade level by clicking this [link](#).

We highly recommend all students participate in summer learning opportunities to continue reading and math progress through our summer break. Utilizing these summer resources as a part of our summer routine will set your child up for success upon their return in the fall.

If you have any questions, please reach out to Mrs. Fadness or Mrs. Brissette.

Thank you!

We are incredibly thankful to all those who helped contribute to the Walk for Virtues Incentive baskets! As a reminder, all students who raise a minimum of \$25 in pledges will be eligible to win a basket!

At Immaculate Conception Elementary School, our goal is to raise \$25,000. The funds will be used for student field trips, security updates, and to fulfill teacher wish list items.

Families are welcome and encouraged to attend on Friday, May 2:

Schedule:

Mass 9:30 a.m.

Walk 10:30 a.m.

Lunch 11:30 a.m.

Virtue Stations 1:00 p.m.
