News from the Principal

Dear Parents,

During the **Christmas season**, the staff and I received numerous gifts which we greatly appreciated. Your kind words, cards, and gifts were humbling for us. We are grateful for all the parents who contributed to our wish lists. Parents supporting schools guarantees success. Thank you!

Catholic Schools Week is Jan. 27-Feb. 1 and the theme this year is Catholic Schools: **Learn, Serve, Lead, Succeed!** The logo encompasses the core values that can be found in Catholic schools across the country. Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, we, as educators, are growing with them. In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work and succeed. Check the January calendar for details. A CSW flyer will be sent home soon.

Mark your calendar for the Open House on Thursday, January 31 with a Talent Show at 10:30am. Mass begins at 8:45am and then visits to the classrooms follow. After the Talent Show, parents and grandparents are invited to lunch. Meal order forms will be in the January Friday folders.

Mr. Olson, Phy. Ed. teacher, is selling jump ropes for \$1 before school in the cafeteria. He is preparing the students for the Bloomer Jump Rope Contest. Join us on Friday, January 11th in the gym at 2:00pm for the **IC Jump Rope Contest** to see who will compete in Bloomer on January 26th.

Parent/Teacher Conferences are February 21st and no school on February 22nd. Online scheduling for the conferences will be sent to you through the central office. It is a first come, first served basis, so watch for the email information. These conferences are optional.

May God keep you in His infinite care, this year and always!

Blessings,

Mrs. Renée Cassidy

Thank You from the IC Support Staff!

We express our gratefulness to the families who generously donated monetarily to the support staff during the Christmas Season! Your donations brighten our lives in a meaningful way. Thank you for remembering us in this kind manner! We appreciate your support! Blessings to all!

Reminder

We have several families who aren't keeping up their lunch accounts resulting in a negative balance. When the child is in the lunch line with a negative balance, the computer stops and slows up our lunch line. If you could place money into your family's account or send a check to the school office in a timely manner that would assist our lunch program immensely. Emails are sent as reminders to assist with this issue. We appreciate your cooperation.
