Dear Staff and Parents,

As a Catholic School administrator for 21 years and an educator for longer, it is with bittersweet thoughts that I write this letter. I will be retiring at the end of this school year. Gratitude and appreciation for all the memories that I have encountered with students, staff, parents, administration, and pastors are sustaining me. I thank all of you for making my journey complete.

For the past 11 years I have been the proud administrator of IC School. Mentoring and hiring staff, assisting students to become successful adults, and working with supportive parents has given me great satisfaction over the years. At Regis Catholic Schools, I have been proud to make contributions as one of the founders of our consolidated system in 1998, being a member of various Diocesan committees, overseeing the faculty religious trainings, assisting with curriculum decisions, and creating the Walk for Virtues event are some of my highlights that have proven successful.

Being a Catholic school educator was my vocation and I believe I fulfilled that calling by making the faith an example. Daily, the Catholic faith is present in our building through prayers, actions, displays, Liturgies, etc. Along with our staff, I am proud to be part of those events and recollections.

As the chairperson for WRISA Accreditation for Regis Catholic Schools I will continue to oversee that process. Next year, 2019-20 we will have a state visit to verify our accreditation evidence. Therefore, I will work with the RCS committees through next school year. This will be a good transition for me before ending my educational career.

I have been blessed to serve! Thank you for the opportunity.

Gratefully,  
Renee Cassidy
