Service Hour Requirements

Our Service Learning Program is based on the tenet that learning and service are connected to the intellectual and moral development of each student. The goal for our students is to serve our community in a variety of ways, helping others outside of their immediate circle. Through service, our students will gain a sense of empathy for others, leading to a desire to contribute to our community through acts of service. It will also help to develop their teamwork and leadership skills. A minimum of 25 hours of service are required at Regis High School each year. The emphasis of this work should be "outreach" to our community, primarily with non-profit organizations. In order to graduate, each senior must have their service hours submitted by the Friday prior to graduation. Non-graduating students must have their service hours submitted by May 31st.

1. If possible, a minimum of 5 hours are to be parish hours. This is your way to thank our pastors and parishioners for their continued support of Regis Catholic Schools. Examples: Lector, Eucharistic Minister, Choir, Fish Boils, Bible Camps, Sunday School, Church Bazaar, Altar Server, Parish chores, or Regis Mass Altar Server (Students who are not a member of a parish or congregation are still required to complete 25 hours annually.)
2. Remaining hours, until the requirement has been met, should be community based, primarily with non-profit organizations.
3. Bring this Service Form with you and obtain the organization supervisor's signature. If you forget the form, have them write a note for you and attach it to your service form.
4. Specific dates and times should be listed, not a general time period.
5. Completed service hour forms should be placed in to the box outside of the Regis Campus Ministry office. Forms can be submitted throughout the school year. Do not wait until the last minute.
6. Extra service hours earned in one school year are appreciated, but may not be carried over to count towards future year(s) service hour requirements.
7. Service hours should be volunteered time. You should not get paid for completing these hours.
8. Service hours **may** be offered during the school day and should be recorded by each individual student.
